DEDICATION

This book is dedicated to Dorah Aduke and Young James Orubu as husband and wife of blessed memories. Both were my lovely grandparents. I was brought up under their warm and sweet tutelage. It could have been expected that I address them in the convention and normative tag of Mr. & Mrs. Young James Orubu, but I have dwelt on the identity and independence of women in my earlier work titled; *Women Glitterati*, hence is proper to employ the use of their separate identities notwithstanding the fact that they were celebrated husband and wife (living dove life) till death did them part.

ACKNOWLEDGEMENT

Favor, candor, peace and grace flow from the throne of God like a river, and without them, no human being can do anything on self-account. The Lord God through the Holy Spirit gave me this free gift of reflective writing for the purpose of building Human capacity, particularly languishing couples. It is my firm conviction that correct and reliable information is the right advocate and reformist to all forms of obnoxious cultural impositions as presently practiced in native and religious communities.

Truly, a person born of a woman is of a few days; and brooding with tsunamis of queries than answers. Yet there is sure hope as long as the blood giving life is concern; and being that the Holy Spirit is our comforter and helper in Christ Jesus, all things become possibly manifest. With Christ Jesus, our advocate, you (husband and wife) shall live harmoniously till death do you part, amen.

Most important to me is all those who beat the odds to make marriage successful and celebrative while passing through this stormy gale of life; shall undeniably wear the crown of your marriage.

To God be the glory and honor.

RELICS:

Comets are rolling down from Heaven to dismiss the works of darkness. Thanks to the Master, Christ Jesus. Just can't keep silent, I almost broke the bond of my marriage the crown of my heart which jeweled my body, my respect, my joy, my love, my life and my all. Thanks to my dear wife, Faith Okoto.

FORWARD

Having gone through the pages of the manuscript, taking the natural course of proof reading among others, I felt obliged to write forward to this unique book on the most basic institution of man, "Marriage the Institution of Flesh & Blood". This book precisely dwelt on the most salient areas of marriage discontentment, and dive deep to offer necessary advice that would give succor to the marriage couple. It is that every adult is expected to fall in love, and get boarded for life, and no two husband and wife had dwelled together under one roof before marriage (safe a very minute number in the form of service lading where the master so felt a need to get involved and so marriage ensured). "Marriage the Institution of Flesh & Blood" is a recipe for every couple. Those yet to be involved are most fortunate and would be most grateful for the expositions lavished in this book. To those already in, would in like manner express their thanks to God and love in appreciation for the author, Chief Osain Dumome Abam 11. It is fantastically a must read for every home to know some of the deep secretes that cause crisis in the Marriage Institution.

After the advice in almost every of the chapter, the solutions markedly are given in chapter 4. The Holy Spirit is presented as the first teacher solution; the Word of God as the second teacher solution. Books to the enlightened heart are presented as the third teacher for basic solution. Teacher four presented as Experience, and teacher five, Your Self. These are all wonderful magi to give the sick in Marriage the healing balm and rejuvenate one's marriage. This book speaks for itself, everyone who disciplines himself/herself to go through the pages to the end would feel really good and fulfilled, especially when he/she is caught up in the web of crisis.

I wish all happy married life.

INTRODUCTION

Marriage is seemly an institution with endless learning process; and is profitable to them that desire the understanding to enroll. The anchor of marriage is Love, and is tested all the times. [Ken Saro Wawa of blessed memory said, “Love is nothing until it has been tested by its own defeat, and Love is what enables us to transcend that defeat”](#). Agreeably, marriage is a deliberate Course designed for only the Ready, Prepared and Matured minded persons; and not for the deformed though exhibiting physical prowess. It is an Earthly Justified Will packaged and transmitted by the Omnipotent, Omnipresent and Omniscience God for the comfort and progression of man and woman; an orderly procreation in the continuum of the human existence.

The paroxysm of threats is that, the earth is exposed to concentric-mix myth of doubts, falsehood, and contradictions. Marriage being of earthly origin is no exemption to these gullible threats, mystifying humankind like zygote. The devouring of ignorance, evil manipulations and manifestations, incursions, and corrupt sentiments through human divergent actions, linking global expansion (sociocultural, economic and political) has redefined marriage in different forms, beliefs and ways. In this regard, marriage psychosocial views have become more complex day by day.

Of course, powerful scholars across the globe are branding, coding and interpreting marriage the way they understood, tuned and cultured in the believe of walking square. Yet, the failures in their bundles keep downloading cutting across all strata; civilized, uncivilized, poor and rich are lamenting with little or no remedy. Even the sociologists, psychologists, philosophers, clergies, researchers, scientists, technologists and the herbalists are indifferent looking for matrimonial antidote or therapy to no avail. Marriage is today a torn on many flesh and bones. It is now seen as draconic task vomiting moribund effects, making husbands and wives nomadic, from pole to pole, negating the very essence of the bond of mutual love and honour, taking form of contract which destroys the sacred institution marked in Christendom: for best for worst.

The good news is that, the earth's sorrow is not greater than the joy of heaven which transmitted this glorious, precious and excellent Will “Marriage” for the jollification of God's children on earth. Marriage must not be feared; it is a

fulfillment of the Universal Law of Life. It is to be consummated by man and woman. Therefore, deciding not to marry or doing something else, is a violation of the Purple Law. Excepting, that man or woman is exempted by God from reproducing. It is a known fact that some persons are born eunuchs, some are forced to be eunuchs and some made themselves eunuchs. That is to mean, celibacy.

Let every man and woman espirit carefulness to performing with a sense of responsibility and humility Of the Purple Law; it does not recognize man to man or woman to woman kind of consummation. Such relationship is barbaric and abomination to God our creator who originated it. [According to Marcus Tullius Cicero, a Roman Born Senator, 430 B.C, “the first bond of society is marriage”.](#)

This book titled, MARRIAGE THE INSTITUTION OF FLESH & BLOOD is designed to bring strategic awareness of the devil’s wild antics working in disfavor of marriages. It is gracefully unveiling necessary remedies and solutions for the willful purpose of regenerating, stimulating and beautifying marriages.

Knowledge is a veritable weapon for those who have it, and there is no end to learning. Please, consider the issues surrounding your marriage life and environment with positive concern. This book, MARRIAGE THE INSTITUTION OF FLESH & BLOOD may prove a point that will positively transform your marriage. It is packaged under the influence of the Holy Spirit revealing the deep things for the salvation of families and nations. Eat this Flesh and Drink this Blood, the audacity of Marriage.

Thanks and God blessed you.

CHAPTER ONE

THE FIRST BOND

According to Martin Luther King Jr., every individual and nation must see this interdependency that we face. All I'm saying is simply this, that all life is interrelated, and man and woman are caught in this inescapable network of mutuality tied in a single bond garment of destiny and whatever affects one directly affects all indirectly. And no man or woman is an island entirely of itself. Every man or woman is a piece of the Community, a part of the main. And a man's or woman's death diminishes me, because I am involved in humankind.

I sincerely appreciate your feelings of doubts, fears and threats; it is human clothed with flesh and blood: and yet it is this flesh and blood that is forming life. The anatomy of human being and the hyper demand is the burden surrounding the earth. The truth is we can dream, think, plan and hope; even pray, but without the grit and discipline, persistence action and patience, our lives and marriages will be nothing more than empty wishes. This book, MARRIAGE THE INSTITUTION OF FLESH & BLOOD is focused and aimed at encouraging, salvaging and empowering someone like you to act rightly in all matters that pertains marriage. It is intended also to bring to your foreknowledge the negative perceptions, abnormalities, leakages and elemental forces (demonic spirits) likely to doom and or devour marriages. This is because you are beautiful and very much loved by God. So thank God in the Holy Spirit for this very opportunity and the understanding to live a fulfilled life. **According to the Bible book of Proverbs 16:23-24, KJV 2000: The hearing of the wise teaches his mouth and added learning to his lips. Pleasant words are as a honeycomb, sweet to the soul and health to the bones.**

My dear friend, I speak of Marriage, the harmonious living, the amalgamated live; flesh and blood in perfect union. Marriage is the unification of two independent entities; it is likened to Bread of Life or Living Water. The Spirit

of blood union is the invisible power manifesting life. A master mind alliance of two brains coordinated in the Will of Harmony to infuse synergy, stimulate actions, radiate light and manifest life. This is the First faithful Bond of Society. The amalgamation of two individuals dissolved into one form, name and existence. It is simply a man and a woman of matured mind in one accord leaving their parental enclave, and both forming their own family as Husband and Wife with equality of rights. H.U.S.B.A.N.D: H = Hands for service. U = Understanding in service. S = Selfless service. B = Bond of union and beauty. A = Abundant life. N = Next-of-Kin and Neighbour. D = Dedication to service. W.I.F.E: W = Wisdom for service. I = Ideas, having experience and knowledge for service. F = faithfully favoured for service. E = Energy for service. **According to the Bible book of Ephesians 5:3, KJV 2000: For this cause shall a man leave his father and mother and shall join unto his wife, and they shall be one flesh.** Please note this, 'joined in one flesh' not their spirit; the individual spirit cannot join, but relatively connected. Marriage in essence, is a beautiful, precious and wonderful Will transmitted from God's Kingdom down to earth.

Something gracious started marriage which is Love Divine, being one of the attributes of God; and so, difficult to understand, measure and define because of its qualities and abstract nature. **La Roche Faucaud said: it is truly difficult to define Love; in the mind, it is nothing but a latent and a delicate desire to possess the loved object. If it were not for this passion, men would argue, as I once heard it expressed; What is the use of keeping Cow, when milk can be bought for ten cents or naira a quart? And prostitutes would soon outnumber wives. It is therefore necessary in the interest of our race, of society and good morals, that the passions of men should override cold calculating reasons. For if the sexual passion become less strong, or outweighed by motives of selfishness, the majority of marriages would not occur.** Love acts or expresses itself in companionate, compassionate, commitment and intimacy forms between two or more persons. Socio-religious scientists have classified styles or kinds of love according to the manner being exhibited. It is the intuitive sex drive that propels and activates these kinds of love. Therefore, sex is love.

- a. Eros: Romantic love in which the search for ideal or soul mate is sort and based on physical appearance. Eros is the foundation which grows intimacy and commitment, and gradually develops companionate and in the long run, translates into marriage.

- b. Ludus: Kind of game playing, and may develop into marriage. This kind of relationship has a very short term involvement because either partner is framed on sexual sentiments only.
- c. Mania: Possessive love builds high level of compassion and easily develops into marriage. This kind of relationship is usually obsessive, jealous, excessive and extreme to a point that either of the partners could become violent.
- d. Storge: Companionate love which is slow and deep feelings of affection and friendship, and may develop into marriage. It is a strong attraction either partner give into the relationship.
- e. Pragma: Pragmatic love which is very practical and rational in every sense of purpose, and may develop into marriage. This kind of relationship is based on mutual satisfaction of both parties involved. The assurance of lasting relationship could be measured on either partner ability to sustaining mutual trust.
- f. Agape: It is Greek word that has become English. Altruistic love which is gentle and caring desire to give without expectation in return and may develop into marriage. This kind of relationship is natural, perpetual, committed, not harming, truthful, fervent, adoring and exciting by either partner involved.

Marriage is the only arena sex can be comfortably, feasibly and excitedly expressed. Talking about sex is a beautiful thing, which is responsible for controlled diversity, adaptation and evolution of human beings. A major environmental circumstance might exterminate a race since all could be equally affected. When eggs and sperm unit, they initiate development and also establish genetic diversity among the population. This diversity is truly the spice of life and one of the secrets of its success; sex becomes necessary to its accomplishment. Sex is the sum of features by which members of humans can be divided into two groups, male and female, that complement each other reproductively and other visibilities. Sexual reproduction is very essential for both propagation and long-term survival.

There is need to guide against other forms of non-reproductive marriages. Copulation (coitus) is to be enjoyed by a man and a woman on equal basis for the progression of society; because the life span of human beings is limited, the first concern of any particular population is to produce successors, and after which pleasure and wellbeing could follow suit. Therefore, sex is the fission of two independent entities forming a new model of life. Dimorphism in

marriage is reasonably immaterial, but same-sex-marriage however decent may be, it is against natural (God) order of procreation. Those encouraging it should have a rethink, while appreciating the widest spectrum of women equality of rights which was primordially and mischievously discriminated; subjugated with severity and been regarded as personal acquired property like house, land, house help, slave, child etc. of the man (male). Mahatma Gandhi said: if the husband is a god, the wife is a goddess. She is not a slave but a friend, and companion with equal rights. Each is a preacher for the other.

The author of Sex and Sex Worship, O.A. Wall (1920) said: In the human being, true mating based on mutual friendship is possible only when the woman is not a slave. When the woman's right to bestow her favour where she pleases is generally admitted, wooing or courtship, psychic or ethical element in love is enhanced, and the carnal features of love are purified by the emotional sympathies as well as by the intellectual bonds of affection. Love in the highest and purest sense, and marriage based on mutual love and consent, is possible only when the full equality of the woman with the man is recognized; and then even only when questions of pecuniary considerations like the prospective inheritance from the father of the bride or of receiving support and a home from the husband are but subordinate or secondary considerations. The highest form of love is founded on a mutual recognition of mental, moral and social worth, as well as on a desire for the person or body, and possibly only when the whole personality is loved; not when merely the body is loved, which is carnal love or lust, nor when only the soul is loved, which is platonic love.

Man and woman have a pattern of physiological events occurring during sexual arousal and intercourse (coitus). These events may be identified as occurring in a sequence of four stages; excitement, plateau, orgasm and resolution. These basic pattern is similar in both sex (man or woman), regardless of the specific sexual stimulus.

1. Excitement Stage: The body prepares for sexual activity by tensing muscles and increasing heart bit. In the man, blood flows into the penis, causing it to become erect; in the woman, the vagina walls become moist, the inner parts of the vagina become wider and the clitoris enlarges.
2. Plateau Stage: The man or woman breathing becomes more rapid and the muscles continue to tense. The glands at the head of the penis swells

and the testes enlarge in man, while in the woman, the outer vagina contracts and clitoris retracts.

3. Orgasm Stage: The neuromuscular tension built up in the preceding stages is released in a few seconds. In the woman, the vagina begins a series of regular contractions; in the man, the penis also contracts rhythmically to expel the sperm and semen.
4. Resolution Stage: Experience a gradual return to the resting state may take several hours. In the man, the penis shrinks back to its normal size, in the woman, the vagina and other genital structures also returns to the pre-excitement state. This stage in man contains olfactory period of several minutes to a few hours, during which the man is incapable of further sexual arousal; while the woman having not such olfactory period can quickly become aroused again for excitement. This marital information is key and prime to a succeeding family union.

From psych sociological findings, benefits of regular sexual intercourse are numerous which physically, mentally and spiritually preserve, nourish, and protect the body in wealthy health.

- a. Having sex relieves headaches and backaches; every time you give in, it releases the tension in the veins of the brain, which is natural therapy.
- b. Regular doze of sex can clear stuffy nose; a natural antihistamine, thus fighting against asthma and spring allergies.
- c. Regular sex produces large amount of estrogens which shine and soften the hair; thus giving a radiant beauty treatment to mostly the woman.
- d. Having regular sex is reasoned to be one of the safest sports; it strengthens muscles of the male and female body beyond any known exercise.
- e. Making love slowly, smoothly and in a relaxed way, reduces the chances of suffering dermatitis, skin rashes and acne. The sweat produced cleanses the pores and makes your skin glow.
- f. Having regular sex is capable of burning all the calories accumulated during the romantic dinner before bedtime.
- g. Sex is a divine remedy for depression and stress. It releases endorphins into the bloodstream, creating a state of euphoria and leaving women and men with the feeling of been unique, sound and healthy.
- h. Having good sex is a tranquillizer and muscle relaxant to a safer world. It is a thousand times more effective than valium. Sexually active body

releases more pheromones; therefore, highly indorsed for women and men.

In establishing this faithful bond, life blood is the main element required to seal it. Indeed, blood is everything that makes this bond real; and without it there is nothing to give life its true quintessence. Blood must be exchanged in order to reproduce, maintain and salvage the life. Our Lord Christ Jesus sacrificed his blood before Himself (God) to redeem humankind; and if Christ (the saving grace and power) had failed, salvation would have meant nothing and perpetual loss of power and authority to Satan, the devil. We give God the glory. This point should raise your inner conscience that you dare not deny yourselves in the proper consummation of the marriage being the sugar moment (sweetest equilibrium equation). **Our Lord Christ Jesus said, as often as you eat my flesh and drinks my blood, you remain in me.** For this bond to remain as long as life permit, the husband and wife must above every other thing exchange their blood as often as possible. This is irrefutable. If you decide to gap yourselves without understanding and doing the needful, Paul said, my hand is not in it. Understand this fact, it is spirit of the blood in the life of marriage doing and keeping the bond unbreakable. **Mahatma Gandhi said: between the husband and wife there should be no secrets from one another. I have a very high opinion of the marriage tie. I hold that husband and wife merge in each other. They are one in two or two in one.**

This book may be taking a bias in Christianity, sees Satan, the devil as the evil mutagenesis of spirits; and influencing spirits agents of ignorance, anger, lies, falsehood, envy, hatred, jealousy; and hallucinating between the husband and wife. The enemy of God being your enemy, Satan the devil and its agents having hacked into information of this justified Will planted these fictions too difficult to separate from the original Will. This plot succeeded when human beings decided to distance themselves from the presence of God. **I agree interminably with Lucky Ighedose; 'that life has taught me that each step we take away from God, takes us nearer to Satan the devil'.**

Whenever you fall prey, into mirage of confusion; you become empty, absent minded and most of the time eluded with pride, discontent and lust. At that point, you are falling because of wanting to catch too many things all at a time. So got lost in the pleasure traps, sunk in the mirage of falsehood and unwittingly break the Bond of the marriage. This is happening because you may have been inflicted and afflicted with the diseases of myopia and or I-

know- too- much syndrome. The purpose of the marriage could no longer be enjoyed. To you, little challenges appearing too big, watertight, inescapable and unresolvable. I sincerely appreciated the words of Carl Jung; 'Even a happy life cannot be without a measure of darkness, and the word "happiness" would lose its true meaning if it were not balanced by sadness'. That is to say, Satan's role may be a unique test of love and faith in marriage.

- How well can you understand?
- How far can you see?
- How far can you go?
- How well can you bargain?
- How far can you reach?
- How well can you sustain?

It could be by simply and faithfully walking away from the mirage of ignorance, falsehood, doubts and contradictions; then holding and trusting on the most beautiful, precious and acceptable will of God in your arm. Albert Einstein said: 'The most beautiful thing we can experience is the mystery of marriage'. Of course, beauty or handsomeness is personal sight. It is an endless bond in the power of the beholder, and non-else; but knowing that it fades, there is more than what the eyes can see.

My dear friend, there is need to really understand the purpose of marriage; it matters a lot. This will embolden you to reach the final destination successfully. After all, the ovation of the wedding does not determine the lifelong of the marriage in continuum (caveat emptor). There is certainly an indication of lacuna; and correct information is needed to bridging this gap. Nobody would be happy to be kept in the dark; accessing the right information and timely application makes you superior, always on top of every situation.

THOROUGH EXAMINATION

Marriage is unique for procreation, regeneration, and for the proper upbringing of children; and so, adult males and females should set their minds in readiness, preparing for the dos and don'ts of marriage discipline. It is a world of its own, separate from parental cleaves. Therefore, examine your heart condition whether you are ready, prepared and matured to sail smooth and safe as sometimes the current is high with challenges; bearing the marriage cross. This is the very hour or minute to answer Yes or No to yourself in the innermost room of your heart. You must reflect the palmy and gloomy

moments of married life. A popular dramatist, Peter Edochie said; Marriage doesn't cure lust, if it did, adultery wouldn't exist. Don't view marriage as a sex release. Self-control is still a compulsory requirement. Lust doesn't care if you are married or single. I saw this very interesting. You may be Solomon in wisdom or David in praise or Abraham in faith or Joshua in war, but if you are not Joseph in discipline, you will end up like Samson in destruction.

Through revelations, books and cumulatively tapped knowledge and from experiences of seasoned and highly regarded personalities, I found two marriage heart conditions propelling human beings. These two conditions make the difference, and to a larger extent, determine the indeterminate in the marriage, as to whether eat this flesh and drink this blood continuously or otherwise. These conditions are infatuation and maturity.

MARRIAGE UNDER INFATUATION PLATFORM

Marriage under infatuation driven platform is sagastic. It has a short life span. It does not bear faith, patience and trust for a durable period. In most part of the world, the men do not take the women as friends, companion and coworker; but an instrument of sexual enjoyment or gain; the women likewise. This idiocy attitude may compel artificial and dubious environment, expressing unsustainable praise nicknames like honey, sweetheart, sugar, sweetie; but necromancy characters hidden in the shadow always ready to drain life blood out of the marriage. Marriage that only exists on the lips, (Lipstick Marriage). This could cause irrepressible break down, confusion, suspicion, misery and defeat at the temptations or trials being encountered. The following are a checklist of complaints;

- a. That is the way nature has made it to be.
- b. I have a bad luck.
- c. My mother or father in-law(s) is or are witches/wizards.
- d. My husband or wife is a devil incarnate, a witch or wizard.
- e. Because my wife or husband is from same Community with me.
- f. After all marriage is not by force.
- g. It is just a contract in law, and could be broken or discontinued at will.
- h. I did not know that our tradition forbids this kind of intertribal marriage.
- i. Because I did not marry from my religious community.
- j. Because I disobeyed my mother or father marriage commands.
- k. Because I did not reason all these circumstances.

- l. Because my wife or husband is a stack illiterate, and so not presentable.
- m. Because my wife or husband cannot satisfy me in bed any longer.
- n. Money, beauty, handsomeness central to the relationship.
- o. My friend advised me, did not really mean it.
- p. Our custom and tradition forbid it, but I refused.
- q. I paid bride price, but she is refusing to serve and obey my commands.
- r. She cannot cook and wash my cloths, the purpose is defeated.
- s. She or he is older than when we first married, cannot continue.
- t. The list of complaints is endless; reader, you can add more.

Of course, these are damned illusions full of emotions and raged actions saturated with ignorance, falsehood, doubts and contradictions. It is truly empty Canister platform. You know empty container; it makes the loudest noise. There is a saying in law; 'Nemo dot abet' (you cannot give what you do not have).

MARRIAGE UNDER MATURITY PLATFORM

Marriage under maturity driven by Philia-love bears capacity to see, do, work and sustain the present and future events. It is a will-powered heart to determinatively engage manifold (sweet, sour and sad) events in the abiding relationship. Maturity is not just the accumulation of years, and physical prowess. It is a progressive collection of experiences, knowledge, understanding and wisdom for every day application to achieving desired results. The marriage is highly understood to be of equal, responsible friendship, companion and coworker or partnership. Having the ability to reprove in love, upholding the trust with patience and foresight to tackle and resolve the daily tsunamis, bills, missiles, rocketeers for the sake and wellbeing of the family. The following are the checklist professed;

- a. Focused on leadership, not headship or bossy.
- b. Collective in family decisions.
- c. Having faith in the relationship.
- d. Love and humility as priorities.
- e. Not counting error for error or teeth for tat.
- f. Slow to anger; gentle in speech.
- g. Clothed with kindness and forgiveness.
- h. Dependence more on productivity, creativity and not idleness.
- i. Ability to understand time and season of change and challenges.

- j. Zero tolerance.
- k. Zero pride and arrogance.
- l. Subtle in correcting.
- m. Socially, economically and financially responsible.
- n. Scholarly; willing to learn and share information.
- o. Decisive, but not tyrant or authoritarian.
- p. Investigative and skeptical, but not maliciously suspicious.
- q. Discussing substance, not gossiping.
- r. Playing fun; laughing, singing and dancing when necessary.
- s. Dreaming big, but not overly ambitious.
- t. Comforting, helping.
- u. Willing to express service freely.
- v. Willing to extend appreciation to in-laws and family members.
- w. Enjoy liberty of the family environment.
- x. Place God above all things.
- y. Independent, but mutually inclusive.
- z. Dear friend, this handsome list is endless, you can add more.

According to the Bible book of Proverbs 8:12-13, KJV 2000: I wisdom dwells with prudence, and find out knowledge of witty inventions. The fear of the Lord is to hate evil, pride and arrogance, and the evil way; and the froward mouth, do I hate. Frantz Fanon, a great teacher once said, 'every generation must out of its obscurity discover its mission, either to betray it or fulfill it'.

No doubts, these words may correct, bless and uplift someone like you. Take note, rather be late than never. The hour starts to count now. If there is any error or mistake you may have made or found in your marriage; and or you are contemplating marriage, meditate on this core checklist; it offers needed answer. I am sure, you will be able with confident to audit trail, detect, correct, prevent and resolve your marriage issues amicably within yourself. It may continuously guide and aid your future decisions. You really should believe and show fort faith; and your marriage shall certainly be secured in any stormy season.

Please, you should not be counting or breaking down because of your wrongs and imperfections is not the end means; but coordination in the fear of the Lord God is the beginning of wisdom and fulfillment. Take a brief moment to making these declarative prayers;

I declare fulfillment into my marriage, Amen.

I declare love overflow into my marriage, Amen.

I declare faithfulness into my marriage, Amen.

I declare divine healing into my marriage, Amen.

I declare fruitfulness into my marriage, Amen.

I declare humility and contentment into my marriage, Amen.

I declare joy unspeakable into my marriage, Amen.

I declare foresight, knowledge and understanding, into my marriage, Amen.

I declare harmony of thoughts into my marriage, Amen.

I declare riches, wealth, and prosperity into my marriage, Amen.

I declare honor and respect into my marriage, Amen.

I declare care and support unprecedented into my marriage, Amen.

I declare productiveness into my marriage, Amen.

I declare light and life into my marriage, Amen.

Let grace, peace, and mercy by all means be with me in The name of Christ Jesus. Amen.

If only you will believe and trust in these prophetic declarations which you have made, your marriage or the way to your marriage success is absolute sure. The words of our mouth release power and authority. It is both life and death. Therefore, work with the time because it is very precious. [Napoleon Hills, author of time once said: "Time is too precious to be wasted on arguments and discontent. Some mistakes can be corrected, but not the mistake of wasting time. When time is gone, it's gone forever".](#)

But if you have not known the Lord Jesus Christ our savior; please, take a chance. Please, take a chance to make this timely and firmly decision. You are already assured. It is possible to blossom again. In fact, you are blooming.

At this point, I request you to be bold and courageous to say;

Here I am, Holy Spirit.

I surrender, and submit to you O' Lord.

Guide my life and marriage, too precious to waste.

Thank you, Holy Spirit, in the name of Christ Jesus, Amen.

Earnestly, I must thank you for the courage and bold steps in making this quality decision. I know it is not an easy decision to make, but you need it most. God has heard and seen your near blood tears and emotions.

Two are always better than one. These are the exact words of King Solomon the son of David in the Bible book of Ecclesiastes 4:9-11, Amp: Two are better than one because they have a good (more satisfying) reward for their labor. For if they fall the one will lift up his fellow, but woe to him who is alone, when he falls and has not another to help him up. Again, if two lie down together, then they have warmth, but how can one be warm alone? Mahatma Gandhi said: man and woman are of equal rank but they are not identical. They are peerless pair being supplementary to one, the existence of the other cannot be conceived and therefore it follows as a necessary collar...that anything that will impair the status of either of them will involve the equal ruin of them both.

Ho! Just come to think of it; why would you be unjust to yourself? Your wife or husband is your physical comforter and helper, and security zone as far as life in marriage is concerned. Then the Holy Spirit becomes your spiritual comforter and helper. How can a woman or man be rich and satisfied without a companion? Where is your honor? You have already lost the capacity to replenish the Earth, reproducing your kind and or warming yourself; God forbids.

PRACTICES THAT NEGATE MARRIAGE SANCTITY

I am simply conveying the thought of marrying with the right frame of mind. The right attitudes of faithfulness, trust, patience and love; not retaining familiar spirits, not half baked, not drunk in superstitions and evil convictions (idolatry, witchcraftcy /wizardry) and all forms of immoral lifestyles. The Bible book of Deuteronomy 22:22, Amp: If a man is found lying with another man's wife, they shall both die, the man who lay with the woman and the woman. So you shall purge the evil from Israel. See also the Bible book of Leviticus 18:22-23, KJV 2000: You shalt not lie with man, as with woman, it is abomination. Neither shall you lie with any animal to defile yourself with it: neither shall any woman stand before an animal to lie down with it: it is perversion.

Another angle of concern and worst still, is the belief of spiritual husband or wife and other subjections. The Lord forbids it because it is not part of the

Creed transmitted to man and woman on earth. I am not relating strange information, married men and women in love with spirits have become a common thrill in the world. There are strong manifestations and confessions regarding such unholy matrimony persisting in many families.

What about homosexuality, lesbianism and bestiality or animalism smelling bad all around the globe in the belief of forming familyhood. We may in some way relatively believe to be the best way to live; and also view it as human rights. Yes, freedom and choice decisions and actions are particular and fundamental; so it has become a pride for some classified, civilized and uncivilized men and women to freely indoctrinate and display sexual immoralities without guilt. For that, so many men and women in the world are in the zoo of hell, if not saved by grace.

These reality evils will continue to hunt us for generations because somebody had been injured and demanding justice upon his or her love Creed. My dear friend, consider, seeing the spurious marriage falsehoods, doubts, superstitions and contradictions weaving and harassing even eminent men and women like octopus's tentacles. At your age, should you be fetching water in the river with basket? Such a woman or man, if not insane, is said to be foolish.

According to the Bible book of Romans 7: 2-3, KJV 2000: For the woman which have a husband is by the law bound to her husband so long as he lived, but if the husband be dead, she is loosed from the law of her husband. So then if, while her husband lived, she be married to another man, she be called adulteress, but if her husband be dead, she is free from adulteress though she be married to another man. This position is also applicable to the man that lost his wife. There is a saying that 'the curses of adultery are worse than the known and unknown venom or poison'. How true I can't say.

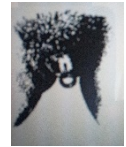

THE CANISTER OF BRIDE PRICE

The often quoted scriptures are Genesis 29:15-31 and 31:1- 55, without thoroughly studying. Notably, the two daughters of Laban, Rachael and Leah, lamented bitterly against him for the sale; and betrayal of their consent and conscience. Even though bride sale or price is widely practiced and gratified, the conspiracy or error is conspicuous; and not in positive terms with modern society which cherishes human freedom, equality and development. In reminiscence of these total considerations which include; social, economic, political and cultural, it practically displaced and dispossessed the woman in

the domestic paradise. Under no circumstance will a person sell out or buy in for money or in-kind if not for slavery, a fellow person (minor or daughter or son) made in the image and likeness of God almighty. A certain preacher once described to his hearers the creation of Adam and Eve; he told them that “God created Adam in his own image” Glory be to God “responded some of the audience.” And then, continued the preacher, God created Eve also in his own image, but with a difference ----- and thank God for the difference! Came the response from the congregation ----- Thank God for the difference! One can easily guess what must be running in the minds of the preacher and the audience. Lamentably, the spirit of tyranny, deceit, covetousness, wickedness, idolatry and ignorance obsessed in man (male fellow) is stampeding equal progression of the woman. The idol cultural foundation of Laban (Labanism), Jacob Uncle; and nevertheless, Jacob marriage (Sororal polygyny) to his two first Cousins (two sisters of same parents) are in no way considered by the operators of this sentimental doom act (taboo). He, Laban, originator of formal record of bride price was a typical idol worshiper, sorcerer, practice divinations and without the fear of God. This humiliating aspect of custom and tradition in marriage postulated by evil vices have been painted with ornamental colour; and made pride of the woman. That in some continents, bride price is a pound of flesh on women and being defenseless like slaves as propagated in their religious customs and traditions. Women (wives) are misconstrued to be personally bought (owned) property of the men (husbands); and in most cases, forced to remarry the brothers or relations of their demised husbands in the enclave of Bride Price. Worst still, are used as entertainment offering drink or meal to their husband’s best visiting friends. Of course, even in Africa, this practice of degrading women as property or chattels, and are bought and sold is common. The reason why virginity of women is highly priced; and some parts of Africa then, the father rivets an iron ring through the labia of his child-daughter as pictured below which remain until she is sold to a husband, when the latter removes the ring with a file replaces with a padlock or harness of which he alone has a key. In this way as the custom and tradition infer, the husband feels deified (phallic worship).

According to the Bible book of Matthew 22:23-30, KJV2000, it says: The same day came to him the Sadducees, who say there is no resurrection, and asked Him, saying Teacher, Moses said, if a man dies, having no children, his brother shall marry his wife and raise up children unto his brother. Now there were with us seven brothers: and the first, when he had married a wife, deceased,

and, having no child, left his wife unto his brother: Likewise, the second also, and the third, unto the seventh. And last of all, the woman died also. Therefore, in the resurrection whose wife shall she be of the seven? For they all had her. Jesus answered and said unto them, you do err, not knowing the scriptures or the power of God. For in the resurrection they neither marry nor are given in marriage, but are as the angels of God in Heaven. In Nigeria, greater percentages of the women are proud of their glorified sales. They prefer to be slaves, underpinned, back placed and only to be acting like maggots in the body of their husbands. Here, the egoistic feeling is so superb. I am the head. They bear the title, sole providers, bread winners, sole means, expressing prowess over their wives. By now, understanding should be informing you, husband or wife; it is an act of ignominy. Consider this; how would you feel as husband seeing your wife in Heaven, while you are in Hell after bearing all these domineering titles on earth?

CONTRIBUTIVE RESPONSIBILITY

There is no benefit like equality of rights. It is the underlying rule of accepting responsibility. It promotes mutual relationship, economic, social justice and prosperity of the family. There should be no room for idleness and suspicion. Both partners should be well informed; participating and contributing their best abilities for the wellbeing of the family. The husband and wife should understand the law of no work no food (any person or party that is unwilling to work should not be expecting to eat). Gone the day's women are used as household donkeys, bed satisfiers, abused, misused, caricatured, parodied and dumped like coffins in the grave. The women too are braising up to the reality challenges of life, productivity theory. They are moving with speed in all spheres, expressing their inherent and acquired abilities to making the family a living and virile entity. Though, equitable performance is yet to be attained due to the long Dark Age insensitivity of man (male gender).

If you are that man still feeling egocentric, or the sit down look woman waiting to eat free food, begin to do self-review of your life activities now. I am touched. Are you not touched? Within me, I receive a deepening and piercing sensation. I am caught with tears. Ho Lord, I am sorry. I perceived the pains, sorrows, and injuries inflicted upon my husband or wife, likened to the cross of Calvary, because both buttress Love.

I perceived also, suicide, bloodbath, vengeance, strife, punctured vows and covenants, curses, swearing and wearing upon men and women. I also saw barrenness, childlessness, impotency and death swallowing women and men upon the earth. These are grievous offences to my dislike; the misery comes in the speed of arrow on a bow targeting on someone to devour. My dear friend, sincerely ask God's presence to cloth you with humility and grace. [According to the Bible book of proverbs22:4, KJV 2000: By humility and the fear of the Lord are riches, honor and life. Complementary service and faith is the oil of marriage.](#)

[Chief Abam Agan Owei II \(1898\), a prominent man of the early nineteenth century said; I meant it, but never end well in my marriage'](#). This vivid confession made me appreciate this great institution the more. I guess, he might have said it when he received Jesus Christ as Lord and savior. It is a remorseful prose. For salvation is come, old things have passed away, and behold everything become new. Certainly he was inducted into the new living Faith of loving as a husband. [According to the Bible book of Ephesians5:28, KJV 2000: So ought men to love their wives as their own bodies. He that loves his wife loves himself. For no man ever hated his own flesh, but nourishes and cherishes it, even as the Lord the church.](#) This very words of life, also applies to the women in reciprocal synergy.

"Never End Well" raised a puzzle. It becomes an itching phrasal statement and may not be a good flavor to taste. Perhaps, this may help our understanding to resolve some of the salient issues barring us from achieving and celebrating marriage success. To him, it was a confession because men of such magnitude always took pride and arrogance to live with and around many wives and concubines as a profession of wealth, riches and power just like Solomon in the Bible. The practice of marrying many wives (polygyny) or husbands (polyandry) was seen as personality ego. It often corners them to worshipping of idols and familiar spirits; engage in sorcery, divinations, and offering unholy sacrifices of which in the end the mirages of losses are usually irreparable.

Marriage should not be for mere pleasure and display of pride and dominance. Those societies promoting such cultures are narrow minded and naked, because the pains and injuries caused and transmitted from generation to generation are far more than the bond of ancient Babylon. I am sure you got the meaning of the prose. My dear friend, it is not too late for you. Touch

yourself. How do you feel? You don't have to look deserted or envy the pleasures of Antediluvian Egypt; they are tied to plagues. Return to your found home if you are already in it. Any tradition, custom or belief that does not enhance godliness, freedom, equity and economic empowerment of the family, fight it with all your strength and might, or else, regret and agony shall go between you. God blessed our souls, Amen.

CHAPTER TWO

THE PEER EFFECT

To my greatest surprise, society which tend to alienate the women in the attainment of ego, produce beauty, luxury and intelligence, has ended up reaping deformity, misery and idiocy. (Anonymous)

The Peer Effect is very relational; making spouses to becoming equipped, equitably familiar and friendly; eliminating threats of insubordination, noviceness and reconfiguration of selves in the suited marriage. These are people within age brackets capable of communicating freely; sharing information at almost equal wave length without barriers and sentiments. This Peer concept has generated two kinds of opinions; Rate Busters and Chiselers which are basically driven by economic and psychosocial environments.

Rate Busters: This kind of peer marital relationship generate conditions of satiability; beautiful aims, goals, and objectives constituting the base foundation. High degree of intimacy, mutual respect and responsive productivity are key indicators and forming social norms rather than obligatory monetary and in-kind inducements from one party.

Rate Chiselers: In comparison, rate chiselers generate under productivity, insatiability, doubting aims, goals and objectives; by far older persons with much younger persons in marital relationship. Evidencing negative cultural, religious and monetary influences as norms which overtime inject conspiracy, dissatisfaction and to wider degree, expires the relationship.

It is a common fact that conflicts of wars between and among nations from time immemorial have been the main cause of increase in the trending concept of “Widows Syndrome” in the world. The next painful but technical

cause of blotted widows in society is the vast age disparity of men and girl's marriages. It would have been normal to say man and woman as husband and wife; but abnormal to experiencing man and girl(s) as husband and wife or wives. Naturally these husbands are likely to becoming oldish and worn-out; and in most cases leaving their wives widows at widowsgate. This unfortunate but compelling life in some parts of the world has made many young wives perpetually burdened with psychological trauma. Wives are given bitter pills to swallow, deliberately lapined, displanted on the cadre of equality of responsibility, self-control and fulfillment. They are perpetually denied their modest roles and natural endowments in the family line, and rather are assigned work like employed labourers or servants with no self-direction and determination in life.

The Peer Effect is a popular test of productivity in the work place forming comfit with marriage. It will be unfair to continue to alienate the woman from her coproducts. This productivity view point has been objectively advocated by many psych socioeconomic scholars like Engels, Sett Accra Jaja; making the archaic believers like Max, Plato and others to become intimately aware of the anguish and alienation bigotry that is prevalent in societies of capitalism and denigrating institutions such as religion, economy and politics which promote alienation of women. The dichotomy between the Man is capital and the Woman is labour have been legally redressed and redirected to infer productive companions or partners sharing the surplus value equitably. Surmise to say that the bond of enforcement is like a drop of water on duck's back; almost unenforceable. The practicality is still in the dark room and proactive action urgently needed. More so, offenders should be labeled as committing crime against national security. The wife should be freely celebrating her successes individually and collectively in all spheres of life. This sense of Love should be the new generation driving force of happiness and satisfaction in the familyhood.

Gone should be the days' fathers or parents or gods (oracles) select spouses especially girls for their sons and aged men for wife or wives, conveying the fallacious notion of "Good House Wife or wives"; but truly house slaves. The disparity in age, claims of sole bread winner and negligible input of women in the daily responsibilities such as shelter, food and clothing has continued to impose burden of infidelity and subjection on wives. Even though is becoming an acceptable curse placed on women in scripture(bible) written by men, all the sentiments, cultural, religious barriers and sophistications have been

broken partly through this wholesome studies of Peer Effect. A contemporary and more compactable approach is being awakening to Maturity Theory of Behaviour in the family circle. The family is headless; hence, symbolized with a ring.

In today's drive for homeostasis in familyhood, has ignited open confrontations and degaussing of all forms of humiliations, deprivations, abusive and inhuman relationships burdened on the women and as wives. According to Anonymous; To my greatest surprise, society which tend to alienate the women in the attainment of ego, producing beauty, luxury and intelligence, has ended up reaping deformity, misery and idiocy.

The Peer Effect test highlighted some positive concerns for consideration in the readiness and preparation for enrollment into this great institution of Flesh and Blood. The test was cautious and cognizant of other contingent variables in listing these ten postulates.

1. The Peer Effect greatly provides opportunities for each partner (husband or wife) to appreciate marriage as a service rather than authoritarian or commandeering institution.
2. The Peer Effect breeds confidence, boldness, trust, freedom and maturity of selves which overtime provide greater assurance in the marriage. Peers are more consultative, instead of command line of authority.
3. The Peer Effect allows self-motivation, socialization of selves, peace and harmony of performance with minimal interference.
4. The Peer Effect disagree on Love conquers all; is a great sentiment on decisions of choice of spouse; other factors like "age and productivity" should be of strong concern. There can never be love in bad milk.
5. The Peer Effect is firm on financial responsibility; should be a shared value rather than transfer on one party. Future prospects of growth, stability and development are anchored on it, and should reflect on both.

6. The Peer Effect embraces nature as the foundation of human being's existence, and a day is set for one to die. This vivid truth should be embedded in the marriage curriculum. Therefore, deprivation of another human being should be seen as irksome error in the wisdom of nature.
7. The Peer Effect accedes that the degree of economic and social independence of spouses will determine to very large extent the burden of widows and widowers in the society.
8. The Peer Effect proof of relationship; it should be that with or without the other partner, still life should be some worth comfortable. Does not encourage widows' clubs or societies as sources of survival. The debate of moral uprightness is severely questioned arising from undue influences in such gatherings. Black wizards in white suits executing harm are indisputable.
9. The Peer Effect cautioned the concept of love in the name of marriage; and rather emphasizes on capability of sustenance which grow love even at the demise of the other partner. No party should be idle, over dependent or stale in the family domain. Work should be seen as a gift of nature and right of every person, man or woman. This implies, idleness could be error or sin against nature.
10. The Peer Effect is mindful and emphatic on Age in Marriage which goes with maturity of mind for a more lasting relationship. The life of one person should not be degraded for the other; both are carriers of lives. In the peer formation, growing old together naturally eliminates the appetite of new enclaves and believed to foreclose the painful gap of widowship.

Convincingly, globalization is growing massive awareness, building capacities and making Nations and individual's next-door-neighbours. To this extent, it is becoming clearer and acceptable to freely and happily encourage PEER marriages; because it tends to be more realistic, sustainable and appreciable. The positive outcomes have been noticed also to naturally initiate voluntary will and full conscience, abolishing ignorance and forceful relationships. It is a consortium of guide coalition and spiritual re-enforcement of spouses, evidencing perpetual bond of unity. The bottom-line of this test study is the

achievement of a regenerating lifeline of collectivism in the psych socioeconomic concept of productivity = Satisfaction = Happiness = Peace. We give God the glory.

CHAPTER THREE

CONTRADICTIONS

“According to the Bible book of Mark10:6-9, KJV 2000: But from the beginning of creation God made them male and female. For this cause shall a man leave his father and mother, and joined to his wife; And they two shall be one flesh: So then they are no more two but one flesh. What therefore God hath joined together let no man put asunder”.

Life is worth living, enjoying; and it is decently made up of coordinated pair. This is the truth, haven known the truth; you need not flog or blame yourself. Neither is there any need to blame nor query your fore parents for their ignorance and wrong past. Aside the Truth, there are falsehoods, superstitions and doubts, live streaming at the center of human activities. These are contradictors both personified and non-personified contending with your daily events. Don't misunderstand it for mere imagination; it is the reality of life. Think and grow. If you agree with me, pause for a moment. Then, factorize back and front; for the unmarried, you have more grace and opportunity to make hay before the dark hours comes. Every step is correlated with decision. In the Bible book of Genesis 2:18, KJV2000; it is written: And the Lord said it is not good for the man to be alone; I will make him a helper suitable for him (equal partner, not slave).

Dear friend, please be determined to take step by step in tracing these marriage contradictors; because they are highly inflammatory, infectious, confusing, contagious and possessing. When there is no discovery, there can never be recovery. Delight J. James Jokori in her book title, *Overcoming the Spirit of Haste and Waste* said: 'Every purpose under the earth faces opposition and resistance. That you have a purpose does not mean it will be

without a battle; even the things that are rightly and legally yours will not come without battle. Every promising purpose has an enemy contending for it'.

In the Will of God, marriage is a good treasure and structured for enjoyment, not destruction. But these contradictors can stop the enjoyment if you slack, and fail to watch, out of negligence. The Lord Jesus Christ is our strong tower; stay in the strong Tower built for your marriage. **In the Bible book of Hebrews 13:4 KJV2000: Marriage is honorable in all things and the bed undefiled; but where mongers and adulterers God will judge.**

Marriage is marriage, be it Court of Law, scientific, Christian, Muslim, Traditional or Pagan and or any other religious system. All these systems face same contradictions because all are derivatives from same source and for same purpose; it need to be treated with clear knowledge, understanding and wisdom. You need to follow the check list in chapter one thoroughly for guidance. Their mission is to execute your marriage termination, either you are pressured to divorce; and or do not marry at all. If there is no determination to save, there is termination to death; choose one. This is how these contradictors wickedly and horridly behave. Some of the roots and behavioral patterns are highlighted below.

1. FOUNDATIONAL OR HEREDITARY

The bonds of foundational or hereditary contradictors are embedded in faulty character traits transmitted from our fore parents now manifesting in our characters. These character traits involuntarily control, and dictate most of our conducts and actions in life. You do not want to steal; but found you stealing and becomes remorseful thereafter. You do not want to commit murder; but found yourself killing innocent blood. These destructive bonds may make us not to be faithful and trustful in our marriages. Some men or women don't know when they are lusting after other married fellow. They become only remorseful after realizing themselves. Some are used to beating their spouses, others could be lying. It is just endless. **According to the Bible book of 2 Peter 2:14-15, KJV2000: Having eyes full of adultery, and that cannot cease from sin; beguiling unstable souls; a heart they have exercised with covetous practices; cursed children: who have forsaken the right way, and are gone astray, following the way of Balaam the son of Beor, who loved the wages of unrighteousness.**

You can agree with me that the actors never saw it as an act of unrighteousness, but embrace it with pride and pleasure. They only realized when the deeds have been done; and vengeance knocking at their doors. Since our fore parents had laid this evil foundation, we are tied into the bonds. This word "Lust" is demonic, can embarrass the highest personality. You can be a prey no matter how godly you may be. **Jesus Christ said in the Bible book of Matthew 5:28, KJV2000: But I say unto you, that whosoever looks on a woman to lust after her has committed adultery with her already in his heart.** It implies unholy forces compelling you to (do what is wrong) lust after other married women or men.

Note: Most of our fore parents deified idols, images, and familiar spirits knowingly and unknowingly. These demons trace their roots to hunt us as witchcraft taste after life blood. Dear friend, check yourself before casting the blame on your spouse. Foundational or hereditary contradictions can be very cancerous; and so many marriages possibly may have been displaced, disfigured and or terminated without getting to know the root causes. You are encouraged to watch out for evil symptomatic manifestations in your marriage. This information will enable you practically diagnosed your situations carefully. With the help of the Holy Spirit, you are now the family doctor. Finally, let your eyes, ears, and heart be opened to this truth; it can just be the break through to your stinking and dying marriage.

2. VOWS, OATHS AND COVENANTS

Under normal circumstances, vows and covenants are oral or sign or written agreements, promises and or statements made between two or more parties with considerations either in money or other representative instruments (money, animal, human blood, word of mouth, fowl, bottle of dry gin or Fanta etc.), and shall be binding on each party till complete execution and or some other condition precedence takes place to terminating it. Our fore parents did all of these. They entered into these evil commitments in the name of protection, preserving the heritage, for reproduction (child bearing), for bountiful harvest, for wealth and riches, for power and other desirable aims and purposes with the idols and familiar spirits. Of course, these covenants and vows are repayable and renewable according to the purpose, time and season. Worrisome too, some creatures are forbidden and used as symbols and worshiped as their creator (snail, snake, fox, leopard, iguana, crocodile birds, trees, etc.). Sincerely speaking, these deeds were done in the primordial era,

yet trailing us to the present and future unknown. These are generational covenants, oaths and vows. If you are under this kind of bonds, it will be very difficult to uphold your marriage. These demons continue to finger, cast spells, conjuring sorrowful odor, pains and irritating environments which no living creature can condole. It may be the reason you are breeding unfaithfulness at every little challenge. This could just be loss of job, sickness, minor disagreement, snoring etc., escalating and resulting to divorce.

The most worrisome is the loss of physical and spiritual commitment to each other as husband and wife. The jewelries of the marriage suddenly become pieces of wood or shredded paper rather than the creed. The husband will be blaming the wife, and the wife blaming the husband without verifiable reasons. When you are observing these symptoms persistently manifesting in your marriage, know that there could be evil vows, oaths and covenants seeking and demanding renewal or debt from either or both of the spouse.

Be careful to trace them because they are very inflammatory and deadly. In that instance, you need divine guidance to breakoff such curses in order to be free. I comfort you with the words of St. Paul in the Bible book of 1 Corinthians 7:10-11, KJV2000: And unto the married I command, yet not I, but the Lord, let not wife depart from her husband. But if she departs, let her remain unmarried, or be reconciled to her husband: and let not the husband put away his wife. Neither should the wife put away her husband.

3. DEMONIC RELATIONSHIP

My dear friend, I will not withhold to informing you of the truth. Marriage built on demonic relationships will certainly fail no matter the ovation of the wedding. Some strong and hopeful homes have collapsed not because of lack of love or suitability, but persisting demonic relationships. These evil attachments are sometimes inherited from our fore parents, and some through careless lifestyle (youthful lust), and wrong utterances intentionally or unintentionally made. Demons always take advantage of your ignorance and every word spoken in their favor to degrade and molest you. While some, are invoked to afflict your sweet home out of envy and jealousy by relatively close people. A man or woman married to spirit demon wife or husband is possessed; and the home can never be stable. His or her actions will be propelled and filled with confusion, destruction and death. Symptoms or signs likely observable include; Wild hatred, Loss of natural affection, Low sperm

count, Bareness, and other chronic infections, Unfriendly attitude too strong to heal etc. Don't be a victim. Be ready to undertake to do surveys and surveillances around your love home. Most desirably, seek always the partnership of the Holy Spirit, and apply wisdom so that you do not become a pry to these wicked demons. Thank you for considering this advice.

4. MONEY OR BUSINESS RELATIONSHIP

Wealth and riches influence lot of life issues. Where your marriage pillar is money and or business circle, the family will obviously not survive the long run sustainability. There is an adage that says; don't marry wealth; it has discriminatory wings to fly away. Marriage institution is far above money or business worth; it is life in itself. The mindset that my husband or wife must be a rich man or rich woman before engaging in marriage is ultra vires, and dangerous lifestyle; in fact, it is hyper ignorance. Don't try to build a castle in the air or sand. According to the Bible book of 1Timothy 6:10, KJV2000: For the love of money is the root of all evils which while some coveted after; they have erred from the faith and pierced themselves through with many sorrows.

On this line of thought, women are the most vulnerable to predators, and thereafter become the highest prey. Their search for bed of roses (free money, free house, free food, free everything) often put them in a slavery condition; though this belief has greatly changed for the better. In the Bible book of Proverbs12:4, KJV2000; it is written: A virtuous woman is a crown to her husband, but she that makes ashamed is as rottenness in his bones. Even Proverbs 28:20, added: A faithful man shall abound with blessings but he that makes haste to be rich shall not be innocent. Please, be watchful.

What is needed is wisdom and understanding to guide you, because money is a catalyst for the marriage to have firmness with life blood. Money must be raised, and the family bills must be paid; but your approach should not be based on financial bargains, otherwise it can never withstand the stormy days. Invest in marriage shares; and call up love, kindness, trust, responsibility, and patience to constitute the worth of your marriage. These personality traits are highly involved in the marriage-mix. Ask yourself, what willful contributions have I put into this common wealth of my family? Am I always wanting to grab, and not willing to give in something precious of mine own? Is my laughing and or sadness a means of extorting or demanding money? Am I always in the taste of buying expensive clothing, jewelries (gold chains, rings), and everything that

comes my way? Do I eat every kind of food because it is food irrespective of the adverse effect on my health? Do I feed alone without considering my other family members (wife, husband, child and others)? Is it that tomorrow is not in my diary? Do I ever think of my wife or husband welfare in all such good and challenging times? Please, you can score yourself: above 60% is acceptable. Holy Spirit, please build our marriage. Thank you. Amen.

5. POVERTY INFECTED RELATIONSHIP

Poverty is a state of being poor, wretched, despicable, inferior, and or living below a square meal per day. I called it Poverty Infected Deficiency Syndrome (PIDS). According to the Bible book of Proverbs 21:17 KJV2000: He that loves pleasure shall be a poor man; he that loves wine and oil shall not be rich. This is poverty wrinkling and ebolarizing you. Poverty of the mind is also speaking from the outside. What will you do? It is true; luxury is a twin brother to discontent as cunning attitude to foolishness. Poverty may also be linked to ancestral oaths, vows, covenants and demonic afflictions. These wicked spirits could use such loopholes to hunt you. My dear friend, please examine these symptoms as they manifest; brain drain, laziness, idleness, drunkenness, drug addiction, sudden childish behavior, inferiority complex, unfriendly or cruel looks, shabby appearance, criminal minded, high blood pressure, hunger hooks, prolong anger, sudden hatred, and myopia.

Poverty breeds confusion and strife within a short while because natural needs are no longer realizable and hard to meet. At this point of streaming in the ocean, you could view the feet of unfaithfulness creeping into the family in millipede like mood to causing landslide, if not to pieces the marriage. Women are most prone to such nefarious and malicious dealings; well, we may preposterously say that they are victims of circumstances. They are faced with temptations like adultery, fornication, stealing, lying, and commercialized sexing (harlotry). Of recent, a court in Japan legalized adultery, and said; if it is for business reasons. It is called Pillow sales tactics. If it is acceptable, fine and good; but the aim is to satisfy the immediate needs.

You can obviously observe the ethics of rationalization of an evil act evidencing here. Intentional conversion of wrongful act into rightful act, that is light to darkness. She would say, it is a normal thing, every other person does it, it is a part time business, nobody knows about it or noticing me, it is just to put body and soul together and all other busy around stories. According to the

Bible book of Proverbs30:20, KJV2000: Such is the way of an adulterous woman; she eats and wipes her mouth, and said I have done no wickedness. Men are not indifferent to this life, but claiming domination. Poverty is worst of all the afflictions because of the web of destructions and shame it brings. It is capable of inducing a married man or woman to commit suicide, and to some, ritual killings for money. According to the Bible book of Proverbs 9:17, KJV2000: Stolen waters are sweet, and bread eaten in secret is pleasant. But he knows not that the dead are there, and that her guests are in the depth of hell.

Poverty is a chronic disease, and no living creature would love to be associated with it. Even the Ants are mostly seen in the houses of the rich, places that are fragranced with chop-chop. It is a great calamity, when the primary needs of food, shelter and clothing could no longer be met. That is to say, you are kneeling down before shame and despair, handed down to the fettered hands of the gods for destruction (naked).

However, I want to clarify also that your mindset towards everything in life is very important. Poverty mindset is capable of reproducing poverty without any influential element. Your positive actions and belief system will portray so much of what would be the outcome of your marriage, and every other thing in life. It is not good to be poor because it is a sin against God. More so, nobody is born poor; you only need to redirect and adjust your thinking, talent, actions and time towards earning positive results.

There is nothing like make believe or free manna anywhere in this world. Every achievement in life comes through work attached with risk; and if by inheritance, a privilege which still require work to sustain it. Some element of risk is always involved. It is the reality of life and design of God. Any person that does not work let him or her not eat. You may need to answer these questions; where am I spending my time and money? For what purpose are my spending it? For whom am I spending it? Then, you can understand better whether it is a demon or witch/wizard or yourself that is leaking your money and resources away without any thing to show for it (achievement). Please observe also these eight rages poisoning the family life; (1) Sexmania (2) Drunkenness (3) Drug addiction (4) Luxurious lifestyle (5) Superstition (6) Occultism (7) Idolatry (8) Insatiability. The God you have decided to put your hope will help you to experience a positively changed life.

6. ATTITUDE OF UNFORGIVENESS

Marriage is like a course of life filled with trials, temptations, burdens, misconceptions, hot, cold, hates, horrible anger and passion which are at times hurting to the bone marrow and dampening of one's spirit. But it has a unique and distinguishing factor far from other courses of life; it is Flesh and Bones inseparable bond. Oh, I received melody in my spirit whenever Love takes the place of hurt and sadness.

Lifestyle of unforgiveness leaves a field play to other destructive forces to invade your marriage. Please, try to cut short your anger as reasonably as possible. The attitude of unforgiveness leaves torn pieces of poison in our hearts which gradually become mighty ocean too difficult to cross. Dear friend, be cautious of your intentional and unintentional hate speeches in this interdependent and mutual relationship. This attitude of unforgiveness and I know-too-much have octopus's tentacles of connecting unpleasant past events into repetitive cause. Perpetual anger and hatred are likely to breaking your marriage; it is a pitiable situation.

Mr. and Mrs. Husband and wife, why are you always recalling past provocative statements and comments? Why is your name Mr. or Mrs. Right? Why are you too superior to be corrected by your wife or husband? Why is your talking having no conclusions because of one or two errors and mistakes noticed? In such circumstances, how can your marriage sustain into the future when there is no place or room for forgiveness? Know that God is interested in the quality life of your marriage; so is Satan in the destructive. Disharmony to my mind is working and acting under demonic or self-righteousness, becoming extremely difficult to let go. Please, forgive and let go. Unforgiveness is like cancer, eating deeper as the issues evolve; and is capable of silently killing you. May the Lord Christ Jesus grant you grace to overcome this test, amen.

You should understand that your mindset is a major determiner of all issues. Sorry may appear simple, but a very powerful tool. There is a proverb that says; "Subtle words made to arrogant king, can break his bones down". Personality ego, pride and cruel anger are mischievous, promoting the spirit of unforgiveness. Husband, do say, am sorry, she is your wife. Wife, do say, am sorry, he is your husband. Find a place in your heart to always forgive; errors and mistakes are endless. [According to the Bible book of Matthew 5:16, KJV2000: Let your light shine before men that they may see your good works](#)

and glorify your father which is in Heaven. You can as well check the Bible books of Matthew 21:22 and Colossians 3:13. Thank you for your warm acceptance and positive change of heart.

7. LUST AND PRIDE OF BEAUTY OR HANDSOMENESS

According to the Bible book of Proverbs 6:25-26, KJV2000: Lust not after beauty in your heart; neither let her allure you with her eyelids. For by means of a harlot a man is reduced to a piece of bread: and the adulteress will prey upon his precious life. The Bible book of Ecclesiastes 7:26 KJV 2000; said: And I find more bitter than death the woman whose heart is snares and nets, and her hands are fetters: whosoever pleases God shall escape from her; but the sinner shall be taken by her.

This character is mostly peculiar with women (pride of beauty). Some women use their God given beauty to lure, entice and hypnotize men to marry them. Since physical beauties depreciate, and is linearly related with aging, loss of affection flashes its ugly features in the marriage. Economics says, diminishing returns have set in; and at that point, all the artificial condiments could no longer augment what is fading.

This is relative of course, but some Women are possessed with demonic spirits, mostly marine spirits also use the pride and power of beauty to capture and hold captive men of high integrity and purity; turning them poor, hopeless, and stupid. The Bible book of Proverbs 7:22-23, KJV 2000: He goes after her immediately, as an ox goes to the slaughter or as a fool to the correction of the stocks; till an arrow strikes through his liver; as a bird hastens to the snare, and knows not that is for his life. May the Holy Spirit help your understanding that not all that glitters is Gold; do well to test the spirit behind this glittering. A great philosopher, Pinder said; “whatever is beautiful is beautiful by necessity”.

Observe the likely characteristic manifestations; confusion, endless complaints lamentations without cause, bed pride, and lust for other men or women, poverty of the mind, insatiability, gossip, naked appearances, perpetual hatred, insincerity, lying mug, and other injurious exhibitions. The Bible book of Proverbs 14:1 KJV 2000: Every wise woman builds her house, but the foolish pluck it down with her hands. The men are not excluded in this extraordinary influence because much looking corrupts the heart. Mahatma Gandhi said: I will far rather see the race of man extinct than that we should become less than beasts by making the noblest of God’s creation, ‘woman’ the object of our

lust. For example, the narrative story of King David in the Bible was corrupted when he lusts after Uriah's wife. He paid the wages heavily. Nobody knew it, but God heard the cry and even the battle field reported, demanding vengeance. According to the Bible book of 11 Samuel 12:9-12, KJV 2000: Why have you despised the commandment of the Lord, to do evil in his sight? You have killed Uriah the Hittite with the sword, and have taken his wife to be your wife, and have slain him with the sword of the children of Ammon. Now therefore the sword shall never depart from your house; because you have despised me and have taken the wife of Uriah the Hittite to be your wife. Thus says the Lord, Behold, I will rise up evil against you out of your own house, and I will take your wives before your eyes and give them unto your neighbor, and he shall lie with your wives in the sight of this sun. For you did it secretly: but I will do this thing before all Israel, and before the sun.

You can agree with me that lust and pride of beauty have caused many great men, women and even Nations to be consumed. I perceived that you may have learnt something meaningful from this encounter. This is the truth, the whole truth. The Bible book of Proverbs 31:30-31, KJV2000; says: Favor is deceitful and beauty is vain, but a woman that fears the Lord shall be praised, give her of the fruit of her hands and let her own works praise her in the gates.

We must appreciate this common fact that Beauty is an attribute of God; God is Beauty. True beauty goes with simplicity, light, and righteousness. So, to be beautiful or handsome is not evil, but may be the manner beauty is manifest; is like having knowledge but lacking the will power to express it with wisdom. Pluto, a great philosopher said, "Beauty of style and harmony and grace and good rhythm depends on simplicity". Unadulterated beauty can never cause harm to the marriage; because the beauty of God in you is a carrier of wisdom, obedience, trust, diligence, love, peace, understanding and faithfulness.

Dear friend, you can profess this; Holy Spirit, I cannot do it on my own, please lead me right that I might radiate the true beauty of God in me for the safety of my marriage in the name of Jesus Christ, Amen.

8. SEXUAL DYSFUNCTIONS

Sexual dysfunction is an abnormal condition suffered by men and women. This happens especially when the man or woman could not perform sexual duties resulting from either the sexual organs are naturally being incapacitated or lacking satiability or infected with plague denying them health and perfect state of satisfying themselves. There are different forms of dysfunctions;

- a. Sadism (Masochism): some women and men are saddest; can only have sexual intercourse when painstakingly beating. They achieve sexual arousal by being humiliated, abused intentionally and extensively. To them, it is a colour of sexual sensational excitement involving pain or infliction on oneself.
- b. Fetishism: some men and women are fetishes; they experience sexual deviance involving erotic attachment to inanimate objects or ordinary parts of the human body. It is a mental condition mostly exhibited by men as the necessity to use nongenital objects in order to achieve sexual gratification; e.g. women body parts, clothing, underwear, long coloured hairs, feet or shoes etc. Of cause, the use of artificial penis and vagina is very much resulting from scientific palliatives. May have difficulty in marrying.
- c. Anorgasmia: some men and women have recurrent and persistent inability to achieve orgasm despite normal sexual stimulation. It is absence of sexual feelings. Hormonal deforms, and may result to depression and aggression for fear of losing either husband or wife.
- d. Hyposexuality: some men and women experience inhibited sexual excitement; in which sexual orgasm or arousal can be achieved only with great difficulty. A mental condition of sexual labour. Not many women or men could persevere to labour to achieve orgasm, because it has become stressful.
- e. Dyspareunia: some women experience severe pains during attempts at sexual intercourse. The vagina is highly constricted disallowing penile penetration. The vagina is virtually tight or closed up; no sexual enjoyment. May result to depression for fear of losing husband.
- f. Vaginismus: some women experience strong vaginal contraction during sexual intercourse, making coitus painful and difficult; unable to achieve sexual satisfaction. May result to high blood pressure for fear of losing husband.

- g. Peeping Tom (Voyeurism): it is a mental condition where some men and women derive sexual satisfaction from watching from hiding places as others disrobe (naked) or engage in sexual acts.
- h. Erectile Impotence: some men cannot sustain an erection (dead or very weak). May result to high blood pressure and aggression for fear of losing wife.
- i. Premature Impotence (Ejaculation): some men ejaculate before or immediately after entering the vagina. This caused them to be shameful and demeaning.
- j. Sex Devil (Sex Phobia): some men or women exhibit extreme behavior, having strong belief that sexual intercourse is evil occupation originating from Satan the devil; and being resistive, irrelative and irritative to any sexual form which to some extent influenced by religious or uncultured sentiments. To them, the fear of coitus is the beginning of wisdom.
- k. Sexmania: It is abnormal and crazy behaviour where some men or women are obsessive to sexual intercourse much more than anything else. It is an addiction taken to the extreme which are some of the causes of rape, adultery, incest and unstableness. Any man or woman exposed to this kind of extreme behaviour will be under torment; and where it become unbearable could result to divorce.
- l. Other influences: Some women or men are possessed with demonic spirits disallowing them to meet their spouses. These are very dangerous situations that cause marriage failures. Also some men are perpetual homosexuals, but using their wives to cover up; while some women are notorious lesbians, but married on the surface.

The problems of weak erection, complains of tiredness, and other sexual dysfunctions have crippled many homes. No two incompatible beings can live in one house. Please, you need proper counseling and divine intervention in all these nagging situations. According to the Bible book of [Romans 1:26-27, KJV 2000](#); it says: [For this cause, God gave them up unto vile which is against nature? And likewise also the men leaving the natural use of the women, burned in their lust one toward another man with men working that which is unseemly and receiving in them that recompense of their error which was meet.](#) Lord, have mercy on us; and let your grace lead in all our ways, amen.

9. PERSISTENT QUARELLING, FIGHTING AND BATTERING

Mahatma Gandhi said: of all the evils for which man has made himself responsible, none is so degrading, so shocking or so brutal as his abuse of the better half of humanity; the female sex. So many families have been shattered, scattered and seriously abused by these abnormalities. Some husbands took it as hobby to quarrel, fight and beat their wives without excluding a day. I noticed also that some women (wives) are notorious talkers, while some can only accept or admit their faults when thoroughly beating; very funny. Many women had confessed that when their husbands beat them to touching their bones, they get cool and become obedient for some time, so pitiful. I am so sorry to say this, but some wives or husbands nag a lot, like making quarrels without substance as normal business, always engaging on baseless arguments. Such women or men are mostly very lazy, dirty and idle, but smart in recalling past events. Their brains are full of suspicion, very indolent, claiming to be very busy for nothing. They are always possessed with anger and discontent, no matter what their husbands or wives will give, their eyes cannot find satisfaction. These emotional consequences overtime, cause marriage failures, deformity and even death of a spouse may occur. Hereditary could be a contributory factor, but much of these wrong attitudes are controlled or propelled by demonic powers to always poisoning the family into a deplorable condition.

Caution please:

- Take notice that had I known is always master too late.
- Never in life allow anger to escalate beyond necessary.
- Never in life extend hand to beat or use weapon on your spouse because you are beating or destroying yourself and non-else.
- Silence is usually the best; it will enable you to pick out the substantial differences for resolving before the sun goes down.
- Aggressive desires for love or money lies at the bottom of all our transgressions.
- Remember your bed time, the best friend to conflict resolution.
- After all, no man is as fond of virtue as man is of woman.
- Adapt to use of discussion often and subtle words that negotiates, reforms, empower and build.

It may not be that easy especially where the husband or wife is an authoritarian. For the yet to be married, this information is a preparation, and is mother of good fortune. In all these, the Holy Spirit should be your chief adviser.

10. EXCLUSIVE DECISION MAKING

Exclusive decisions adopted by either the husband or wife overtime will certainly cause strife and may result to separation and even divorce. Too much exercise of authority and power by one person. This is characteristic of one who plays the piper dictating the tune (syndrome of tyrants). Some women or men enjoy overriding decisions may be because of their irresponsibleness and idleness. Others allow it just to avoid thunderstorms that could possibly destroy their joy for the day. Decisions of the family wellbeing should be consultative, inclusive and free, which include even the children where necessary. It should not matter who brings the money; humility and trust are highly recommended. Maturity is the answer; there should be no reason for overriding your wife or husband. Know that two quality heads are far better than one; and a relief to the spirit. Exclusive decision is a wicked and cruel act both in the family life and national events. O Lord, help our weaknesses.

11. UNREPRODUCTIVENESS

The female spouses (wives) mostly bear this crunchy pains and injustice resulting from childlessness; abuses from husbands, extended families and friends. This is mostly attributed to biological disorders resulting from infections and or hormonal dysfunctions (low sperm count, premature or dead eggs and or sperm, incompatible body metrics, etc.) manifesting unproductiveness in either the wife or husband. Bareness is from both sides, but ignorance arising from cultural background could possibly breed unstableness and confusion in the family in disfavor of the wife. You may checkout for foundational covenants, demonic marriages and self-inflicted causes (abortion, drug addiction etc.). Of a truth, longer years of marriage with childlessness could be worrisome, tempting and could possibly breakdown the marriage. If you are experiencing such situations, please be patient. Firstly, consult a gynecology specialist and follow up all the necessary medical advices. Secondly, seek divine intervention from God; Jesus Christ through the Holy Spirit is the giver of new life.

12. MALE CHILD SYNDROME (MCS)

This is self-inflicting and obnoxious believe emanating from mostly the husband, family members, associates and poor cultures. Here again, ignorance is in full display; wrong mentality. The husband thinking aloud, asking himself: Who will bear my name? Who will sustain my line of heritage? Who will inherit my estate and all of my progress? This is imminent danger and total confusion of the mind. I wish to remind you that every good and perfect gift comes from the Lord God; and in Him there is no discrimination between male and female child. **Our Lord Jesus Christ said in the Bible book of Mark 3:35, KJV 2000; said: For whosoever shall do the will of God is my brother, sister and mother.**

Just think of it, if the world is filled with men alone, how would the natural laws of marriage and reproduction take their cause and effect? Can there be love or worming or relativity of minds or reproduction of selves? The answer is certainly no. Peradventure it happens, and then this earth would be a den of endless wars and death. Iron versus iron. Even with this male female balancing of the earth, men alone are claiming sole authority and dominion; and destroying themselves and the earth with weapons of mass destruction. Of course, it would mean there is no God, and which is not true. Children of God must disabuse their minds from such idolism, and degrading lifestyles.

The female child is never and can never be a substitute, subsidiary, second class citizen, intermediate or inferior being as ignorantly uncultured and indoctrinated in many nativities. The male and female are co-equals, mutual, perfect companions, partner in progress and of equality in spirit. They have equal access and rights before God their creator. **The Bible book of Galatians 3:26-28, KJV 2000: For you are all the children of God by faith in Christ Jesus. For as many of you been baptized have put on Christ. There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for you are all one in Christ Jesus.**

God made them both as best fit partners in His beautiful and wonderful works. What God has made perfect; no man can degrade it or make it a misfit. I always thank God for this wonderful companionship. What both need is education; it is the key and right of every child, male and female alike. Dark ages are over; we are in the era of enlightenment, everything is light.

There is blooming enlightenment; people are becoming greatly aware that women are raising Nations, economic liberators, leading with the Love of God and manifesting peace, prosperity and unity in families and Nations. I beg you, speak and think well of your daughters; name or property however importantly considered to be, does not in any way confer right of personality or replace the female entity. To think otherwise, will amount to indignation, madness or some worth not living; reasoning that the female child is mere kitchen and bed service satisfaction. That is why, I feel unhappy and sad seeing beautifully and wonderfully imaged girls and women selling themselves for money. Harlotry is evil and sin in the sight of God and humanity. Both men and women are created in the image and likeness of God and in all spheres of life fulfilling God's purpose. Be careful of how you handle or treat your daughters, ignorant of the law is never an excuse before the law; you shall pay for misinformation.

Women are engineers, economists, scientists, ministers, law makers, judges, directors, permanent secretaries, governors, presidents, title holders, queens; and can be counted in all physical and spiritual events. Some parts of the world are still holding the tradition and believe that women cannot hold any prominent positions, but when foreign women in authority visit them; the men are compelled by complex to bow or rise in honor.

Please for God's sake change; it is absolute blindness to reason that women are inferior to men. Those cruel and barbaric cultures no longer exist, and we are in the reality culture of enlightenment age. Think positive, your daughters are blessings like the sons in the family; give them both equal training in the Love of God. This is really funny; how would you claim to love your wife and hate your daughters. Whether it is Polygamy or monogamy, do not abuse your wife for reproducing only female children. Men, do not rob sister to pay brother; it is self-centered and injurious tradition.

Please check yourself and put away any culture of society that is putting you behind time and reality. So many homes have been damaged because of this very male child syndrome. Either the husband and or wife goes out by all means meeting herbalists, spiritualists, sorcerers, diviners, telepathists, mystics, occultists, pastors and all manner of wickedly cruel devices to have baby boy. Mostly women would go as far as stealing or buying male babies from hospitals and other illegal baby factories secretly in order to satisfy their husbands; Laughable indeed. You know very well that no secret last forever.

My dear sister or brother, you are only being deceived by the devil, its agents and yourself. If you are lured in any way, note also times of questioning because it will come. Do not say your mother or aunties or neighbors or father or uncles or family members are bewitching you not to have male children. Therefore, think of it. Holy Spirit put your lovely and graceful light in us; and break-off false traditions and customs limiting our freedom to equality of life.

13. LACKING FAMILY INDEPENDENCE

So many husbands and wives are not independent. They are lacking mutual or family independence to decide for themselves in matters concerning their wellbeing, pleasure and reproduction. The family unit decisions are most of the times being dictated by family members and external circles, mostly father or mother; and this does not promote harmony. I am not inferring absolute barricade of information from family members and friends. Quote me right; lots of marriages have been destroyed because of wrong advises and undue influences from family members and external routes. Ask yourself; have I done rightly or have we done the right thing? Be able to decide independently after consulting, discussing, and identifying the concerns with whomsoever; for the vision of moving the family forward is your sole responsibility and none else.

Lack of independence causes confusion, distractions, suspicions and discontent. Be watchful of unfaithful friends, they burn like acid, bathing you with acid water is real hell. Please, note such family members and externalities who come to push, deceive, compel, claiming innocence and feeling to help you while in actual fact are thorns, flesh eaters (zombies), home breakers, vectors of devastating diseases. This is true because many husbands and or wives are very weak physically to act, implying spiritual weakness too. Most men and or women are trapped by these wicked and cruel forces appearing like angel of light to scatter their families. Please, do not engage yourself or accept wicked council.

14 POOR HOME RUNNING

Much of what you do requires skills, knowledge and understanding to be able to excel. Doing things differently; and in economic, efficient and effective manner. That is the reason I say ignorance is a chronic virus and never should come near your abode. So many beloved homes are shattered because of poor home management skills. This happens whenever there is loss of family vision.

The wrong person managing; economist say resources are always scarce, but satisfaction should be a guarantee.

In this regard, skill is highly needed since the family wants or demands are many and needed to bring about the home satisfaction. What are you thinking now? Don't put your home on fire. Check yourself, how well are you utilizing the mean resources available at your disposal? Nothing is too small or too big in creating stable happiness. According to the Bible book of Isaiah 5:11, KJV2000: Woe unto them that rise up early in the morning, that they may follow strong drink; that continue until night, till wine inflames them.

Some husbands and or wives are spending 60% to 90% of their income (money) on drinking (wine, beer), Sexmania (sexual Mammon), fashion parade, hard drugs, gambling, pool betting etc. By so doing, they are smoking away their precious family life; Pity, pity. According to the Bible book of Proverbs20: 1, KJV 2000: Wine is a mocker, strong drink is raging and whosoever is deceived is not wise. The family is stinking with addicted wizardry pleasures leaking the resources away to unknown destination. The Bible book of Proverbs 23:21, KJV 2000: For the drunkard and the glutton shall come to poverty, and drowsiness shall cloth a man with rage.

Please assess yourself; husband and or wife, where are you putting your resources. You do not need millions to maintain your home. Quarrels, fighting, confusion, poverty, suspicion, and all that is associated with destruction are the evidences in such homes. If not the husband, the wife, always moving from one corner to another gossiping, borrowing for nothing and goes sorrowing; not satisfying and there is no time for the family welfare, but always very busy for nothing. Poor home management will drive your boat to a halt; change.

Though, in all these damaging, malicious and mischievous activities, the devil and it agents have contributed severely to marriage break ups. A thorough knowledge through the Holy Spirit will bring you out of them. Your very self could also be a contributing factor, by allowing and accepting misusing, and misleading information. God, our father and mother, is always expecting you to say something and do something reliable; take a decision now. Think positive. May the grace of our Lord Jesus Christ continue to be your source of strength, light and life, amen.

CHAPTER FOUR

THE MANIFESTATIONS

“And he said unto them, whosoever shall put away his wife, and marries commits adultery against her. And if a woman shall put away her husband, and be married to another, she commits adultery, Mark10:11-12, KJV2000”

Why so many men are anxious to get rid of their wives? --because so few women exert themselves after marriage to make their presence indispensable to their husbands. This is the true reason. The women who charmed before marriage can charm afterwards, if she will, though not of course in the same way. There are a thousand ways in which she can make herself the particular deity of the domestic paradise. When a man marries a woman, he looks forward to a companionship of bodies, as well as to an affinity of souls. Unfortunately, even the early induction of Christianity relates sexual passion as an inspiration from the devil to the extent that, St. Paul by way of enlightenment has to send strong worded letter to the Corinthian Church. **First Corinthian 7:4-5: The wife has no power of her own body, but the husband; and likewise also, the husband has no power of his own body, but the wife. Deprive not one the other except it be with consent for a time, that you may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for lack of self-control.**

I am sorry; you may be contemplating divorce, fine and well.
Ho! you may have divorced your husband or wife; a decision taken, good.
But don't be scared; you can make it again. Especially those contemplating, you still have brighter chances of making U-turn. For the divorced, hesitation to remarry may not provide the needed joy and satisfaction in this irrationality. It was just blackmail. Ho no! Marriage contradictors place divorce as their end means to liberty, seen as angel of light. At this point, I want you to reason out

something. You know that there is nothing like wonder world; it is a mere figment, postulations of fantasy or idolized thoughts. So believing that nothing fruitful in your marriage is the misconception and greatest misery you have to deal with, resolve and spritely decide.

In chapter three, most of these marriage contradictors were purposefully revealed and enunciated to enable you resolve issues godly that will restore about collapsing or already collapsed marriage. Now that you have discovered, you can recover your marriage. Of course, these contradictors deposit dangerous and deadly venoms in your marriage; and must not be underrated as mere normal or natural course of life. It is my candid opinion that you shield yourself with the garment of Patience and Boldness, because both are related to the twin sisters of discovery and recovery. [The Bible book of Isaiah 40:31, KJV 2000: But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles: they shall run, and not be weary, and they shall walk and not faint.](#)

When you verily understand these venoms likely to daunt or fault your marriage, the safer and better the remedy; prevention is always the best cure. Please, never you daydream or work with Distrust, Suspicion, Idleness, Discontent and Indignation: these five viruses are marriage devourers, also called Marriage Acquired Deficiency Syndrome (MADS).

Dear friend, watch out for these manifestations;

1. Absolute loss of affection; that is loss of natural love for the husband or wife.
2. Perpetual hatred and physical threats and molestations of the husband or wife including extended family members.
3. Prone to early grave; loneliness of husband or wife.
4. Become prey to frustration, endless anger and deep pains.
5. Become exposed to wicked and spiritual threats.
6. Children if any become exposed to juvenile delinquencies.
7. Children loss of confidence, peace and family welfare.
8. Retrogression in all streams of life, followed by suicide or murder incidences.
9. Children become exposed to complex illnesses and all manner of afflictions and early death.
10. Perpetual confusion and physical diminution (un-well nature).
11. Children cut short of parental social and economic security.

12. Children loss of physical protection and care.
13. Husband or wife appearing foolish and timid; a jackass.
14. Husband or wife may develop mental disorder.
15. Become disease carriers and suppliers e.g. HIV/AIDS.
16. Become high blood pressure potential patient and other heart disorder conditions.
17. In most cases, become perpetual drunkard, insomniac, hard drug addict and loss of reasoning (conscience).
18. Husband or wife talking aloud alone without any reason (jabber spirit).
19. Develop hatred among children of half-parent due to whom the father or mother show affection most.
20. Children develop mental deformity and constrained growth.
21. Hang-over effect which is also called repetitive action; children repeating or replaying what parents had done in the past, inherited dirty habits.
22. Physical destruction of property, money and life.

The effect of separation and or divorce in marriage is saddening and mournful indeed. No one ever expected; but it is happening. It simply implies that, the pride and ovation of the wedding does not determine success of the marriage in continuum.

Please, do me a favor to reason these valid questions;

- Why do I choose to marry in the first place?
- What is my drive or passion of marrying?
- Is my marriage found on love or money or some other platforms?
- Am I marrying just to cover up my secret life?
- Am I marrying just to feel among the living?
- How will it benefit me if I separate with my husband or wife?
- How will it benefit me if I divorce my wife or husband?
- How will it benefit the children that we have or may have?
- How will it benefit my husband's or wife's future?
- How will it benefit me as a person?
- How will it benefit my extended families and friends?
- Will it involve taking my life?
- Have I fulfilled the purpose of marriage?

According to the Bible book of 1 Timothy 6:6-11, KJV2000: But godliness with contentment is great gain. For we brought nothing into this world, and it is certain we can carry nothing out. And having food and clothing, let us be with these things content. But they that will be rich fall into temptation and a snare, and into many foolish and hurtful lusts, which plunge men into destruction and perdition. For the love of money is the root of all evil: which while some coveted after, they have erred from the faith and pierced themselves through with many sorrows. But you, o man of God, flee these things; and follow after righteousness, godliness, faith, love, patience, meekness.

When you are able to reason out why you exist; then you may be privileged to understand much more about marriage, and perhaps marrying this man or woman. Your physical appearance as to handsomeness, beauty, ugly or funny nature is immaterial because you are not the maker. Everybody on this earth has a suited choice in companionship; which implies, no cause for separation or divorce, unless death of either.

Even though nobody wants to be associated with negations, marriage informs you that there is a time for the storm. There is time for sickness and time to be well. There is time to weep and time to smile; time to be rich and time to be poor. The wind blows north, south, west and east without discrimination. The manifold effects of marriage contradictors keep indelible marks that continue to inflame wild fire to inflict burns as if in hell. When it is your turn, take it, bear it. Anything that is juicy, merriment and full of happiness is in-built with sadness to enable the happiness to be complete. Marriage is good as Life is good; and there is nothing on earth that can be measured with it. Therefore, do everything wholly, reasonably, exclusively and necessary to bond your marriage.

Marriage is indeed a shield to the husband and wife; and whoever breaks the shield the serpent will bite; and the wild fire shall consume. Blessed is the man (husband) or woman (wife) that will not reason marriage otherwise. With God, everything is possible. Though Pharaoh hardened his heart, the results are there as witness; is your heart like that?

Is there no room for forgiveness?

Is there no place for reconciliation and reunion?

Is there no place for patience?

Is there no place for kindness?

Is there no place for trust?

Is there no place for contentment?

Is there no room for this great love?

Is there no place for simple obedience?

Is there no place for this almighty grace?

Is there no place for our Lord Jesus Christ and redeemer?

Certainly there is a very big place; thank you Christ Jesus. Ho God, have mercy on me, my spirit weeps. Let your grace cover me, save me. I believe in you, Jesus Christ, through the Holy Spirit, my teacher, mentor, coordinator, compassionate, affectionate leader and father-mother to always grant me peace. My Dear Lord, Please, soften my heart to choose well in marriage, the ultimate good on earth. [St Augustine, Bishop of Hippo \(391 AD\) said: During all those years \(of rebellion\), where was my free will? What was the hidden secret place from which it was summoned in a moment, so that I might bend my neck to your easy yoke...? How sweet all at once it was for me to be rid of those fruitless joys which I had once feared to lose...! You drove them from me, you who are the true, the sovereign joy. You drove them from me and took their place, you who is sweeter than all pleasure, though not in flesh and blood, you who outshine all light, yet are hidden deeper than any secret in our hearts, you who surpass all honour, though not in the eyes of men who see all honour in themselves... O Lord my God, my Light, my Wealth, and my Salvation. Or are we in bondage to the pleasure of this world so that for all our talk about the glory of God, we love television and food, and sleep and sex and money and human praise just like everybody else? If so, let us repent and fix our faces like flint towards the WORD OF GOD in prayer: O' Lord, open my eyes to see the sovereign sight that in your presence is fullness of Joy and at your right hand are pleasures for evermore \(psalm 16:11\). This is God's Grace giving us sovereign joy in God that triumphs over joy of sin.](#)

Really good, am convinced that you are touched by the Holy Spirit; and there is assurance that your marriage success is sure. God has intervened in the areas of your weaknesses, be it spiritual or physical; and your story is changed for good. May the name of our Lord Jesus Christ be glorified from everlasting to everlasting; receive this grace of sovereign joy. Amen.

CHAPTER FIVE

THE FAITHFUL TEACHERS

“Marriage is truly wonderful. It is a great institution and even with all my years of experience, knowledge, positions and wealth, I failed. I only struggled to pass the tests, but failed the main examination. It is a very great school that learning only ends at death. Indeed, the most serious life business where learning is endless; and personal character traits mix interplay and adaption is continual. Yet, it is upheld and nurtured by some invisible personalities like simple grace, gentle faith, beautiful trust and Philia-love. (Chief (Dr.) Senator Melford Obiene Okilo)

The family unit is the beginning; micros of all social and natural science evolution such as economics, philosophy, sociology, diplomacy, psychology and theology. In this institution, there is no master, no lord or king. Though the male gender is claiming superiority, assuming mastery; but is a mere exercise in futility. Neither is there any known technologist, scientist nor divinities of men on earth to have been able to prove what measure or dosage of Love therapy to acquire and or to be administered to a sickly husband or wife for perfect healing of companionship.

I have less to add, the statesman's views are naturally correct; human beings exhibit complex, multipurpose and multidimensional character-mix beyond scientific explanation. Therefore, learning to love becomes the only optional antidote and natural therapy available; go Loving. After all, loving God, means loving your neighbor as yourself. Your neighbor could be the closest person around you in need of your help; it could just be your very wife or husband.

DESIRABLE TEACHERS

Marriage is truly an institution; it follows learnable, structured, unstructured and adaptable processes. The founder is known, and the policy trust is verily designed, transmitted and well understood. It is also very clear that every day all over the world men and women are enrolling; that is, being admitted into this great marriage institution.

This is pleasing, but the graduates are only handful few. Of course, it is thought provoking that this wonderful institution is rather emitting fatal injuries, pains, sorrows and suicidal on families which is absolutely averse from the original plan and purpose of God, the founder (founded for eternity). It is with this sensational realization that sum up this opinion; something may have actually gone wrong along the chain of progress indicating and needing deep scanning. As we progress, you are expected as a student to concentrate; learning with stamina and in line with the policy trust of this great universal college. [A dear friend, Mr. Nicholas, offered this prayer: 'O lord, let my marriage not fail'. He prays aloud; 'I fail not in the name of Jesus Christ, amen'.](#) Indeed, it was a prayer of revival and encouragement. I found solace too in overcoming the daily challenges that beclouded me.

Unfortunately, there are false and fake teachers and counselors within the environment of this very college. There are fake curriculums always paraded with splendor and glamour; conveying falsehood and threatening images. For this reason, many have fallen into disaster and lost their faithful bond. The good news is that, there are original, desirable, qualified and faithful teachers, managers, instructors and mentors ready all the times to grow, upgrade, develop and sustain your marriage in accordance with the college policy trust of God, the founder. These are great personalities which you really need to associate and relate with, making them your inseparable friends. They are divine helpers, deep secret revealers and counselors available in the college to open your eyes of faith, love, understanding, knowledge, wisdom; and freedom to reason with ease, justice and contentment.

You should remind yourself again; that the originator of this great institution is known and called the Lord our Righteousness, the Lord our Sufficiency, the lord our Peace, the living and active Word, the Light and Life of all creation, the Almighty God. Marriage was purposely introduced for our wellbeing, reproduction, and pleasure on this earth. However, you are at liberty and

having the authority of judgment to detect, select and make choices; the decision is yours. Of a truth, I have identified five wonderful teachers that could be suitable to refine you. It will cost you no money, but requires your willingness and discipline to learn, accept and resolve. According to the Bible book of Daniel 10:18-19, KJV 2000: Then there came (Jesus Christ) again and touched me, one like the appearance of a man, and he strengthened me, and said, O man greatly beloved, fear not: peace be unto you, be strong, yea be strong. And when he had spoken unto me, I was strengthened, and said; let my Lord speak; for you have strengthened me.

Ha! I used to love this song, 'healing of the soul';

He touched me, Jesus Christ touched me,

And I know, He touched me,

And made me whole

When the soul is healed, the spirit is quickened, and the body is made completely whole.

TEACHER ONE- THE HOLY SPIRIT

The Spirit of God is the creative force radiating light piercing into the deepest thoughts of soul and spirit; but subtle, silently whispering, networking with the circus-domains of all human actions. It is one of the desirable and original teachers. The Spirit of God will teach and mentor you to be able to live in harmony; and build your capacity to do the extraordinary. The best gentleperson, always willing to teach, comfort, appreciate, guide and empower you to succeed. I implore you to earnestly seek, and you shall find this personality. Consult, and make the Holy Spirit your chief adviser and family friend; always available and most learned counselor. According to the Bible book of St. John 14:26-27, KJV 2000: But the Comforter, which is the Holy Ghost (Spirit), whom the Father will send in my Name, Jesus Christ, he will teach you 'ALL Things' and bring you to remembrance, whatsoever, I have said unto you. Peace, I leave with you, my Peace I give unto you; not as the world gives, give I unto you. Let not your heart be troubled neither let it be afraid.

Think of the Holy Spirit; believe in, and things will certainly turn around in your favor. The Holy Spirit being a mentor and psychotherapist is more than your closest friend; has the authority to bless, protect, project, and give quality gifts.

He knows and understands your feelings. He rightly measures and relates with every man or woman; and makes you to faithfully accept the truth; responsibilities of life with hope possibilities and contentment.

TEACHER TWO- THE WORD OF GOD

Is your word you? This is simply a declaration, confession and claim on the Word of God as it is written concerning you. You need to find the word concerning you (script) to be able to act discreetly. *The Bible book of Proverbs 30:5 KJV 2000: Every Word of God is pure. He is shield unto them that put their trust in Him.* God's Word heals, turns rough situations around for your definite good. Have you ever thought of meditating on the Word of God? You need to try it. *According to the Bible book of Hebrews 4:12, KJV, 2000: The Word of God is quick and powerful and sharper than two-edged Sword piercing even to the dividing asunder of Souls and Spirits, and of the Joints and Marrow; and is a discernor of the thoughts and intents of the heart.*

Dear friend, you can reason with me; the Word of God is capable of refreshing, streaming, retraining, redeeming, rebuilding, rediscovering, forgiving, recovering, liberating and bringing endless smiles into your life. You ought to have known that you are the Word in flesh, declare the Word of God concerning you with your very mouth; declare it now. In order to affirm the Word, Please, surrender your life totality now, if you have not to Jesus Christ as your personal Lord and Savior; He is knocking and waiting at the door of your min to come in and live with you forever.

You can say, God, take my marriage and let it be; take my life and let me be. What you have just said is enough to change your despondencies into rivers of joy and contentment. I sincerely appreciate you for the relieves and smiles like a sweet smelling savor unto the Lord God.

TEACHER THREE- BOOKS

According to the Bible book of Daniel 9:2 KJV 2000: In the first year of his reign, I Daniel understood from the books the number of years of which the word of the Lord came to Jeremiah the Prophet, that he would accomplish seventy years in the desolations of Jerusalem.

Who can deny this forensic fact that books (hard and soft devices) are not important ingredients and bases of sharing knowledge? I mean books, not just

the Bible only as erroneously perceived by many Christians all over the world. One valid and inviolable point is that self-awareness promotes healthy living, and capable of reducing adrenalin; catalyzing burning hanger and high blood pressure. Though, the undefeated illiteracy is a factor limiting advancement of knowledge in the development Life of marriage. This is a very essential element for consideration; the husband and wife should reasonably operate at equal wave length in terms of sharing and communicating information on both (sending and receiving) ends.

This rule possibly removes distortions, word viruses, inflammations, suspicions; and rather filters, directs and builds understandability between the wife and husband. Learning through the books enriches, empowers, enlighten and breed capacity to truly understanding Love, Trust, Contentment, Responsibility and Faith in sustaining the marriage creed. Studying varieties of books will give you the keys to opening the gates and doors of your desired kingdoms of rest, finances and all round prosperity. You should understand that the family unit is the most concerned entity on the earth. Therefore, you need to necessarily and reasonably research relevant books, watch firms, engage in programs and other social actions (Facebook, LinkedIn, twitter etc.). The aim is to enable you decidedly applying the knowledge to merit love, peace, mercy, forgiveness, kindness, satisfaction, prosperity, growth and security in your marriage. I perceive you are feeling much warmer and satisfying in your marriage.

TEACHER FOUR- EXPERIENCE

I know of a truth, past events, rightly or wrongly could as well be possibly good teaching tools. Experiences and intuition collaborate mostly to enable you select, filter and act reasonably, and adapting to desirable lifestyles that will sustain the marriage. Sometimes, experience is the best teacher; but you should be careful, pray not to fall into deadly actions too deep and bitter to learn, share or too late to escape. Sharing experiences from relatives, friends, In-Laws, work life, workshops and trainings helps to uphold good family ethics. I kindly appeal, avoid gangs of friends or peer groups that always talk nothing good of their husbands or wives and family relations. While appreciating information sharing, be watchful of evil communication corrupting good manners. Avoid engaging programs that are viruses in nature. **According to the Bible Book of Hebrew 5:13-14, GNBDC; anyone who has to drink milk is still a child without any experience in the matter of right and wrong. Solid food, on**

the other hand, is for adults, who through practice are able to distinguish between good and evil.

In this great institution, it is viewed that mistakes or misgivings either intentional or unintentional are bound to occur. The bone of contention is your marriage; and that the family unit is a living entity. You need to secure it with all amount of zeal; otherwise, it shall be invaded. I want to believe that you are very much knowledgeable to firewall your marriage from external or internal invasion. Dear friend, you should be awaking of flying ghosts of mutineers; interminable burning anger, superfluity, idleness and gossip: your worst enemies. Locate truth in your mouth; be in friendship with diligence, and appreciate justice. According to the Bible book of Proverbs31:26-27, KJV 2000: She opens her mouth with wisdom; and in her tongue is the law of kindness. She looks well to the ways of her household, and eat not the bread of idleness.

Please, share this beautiful experience with your family; and at least someone dear to you. Ho yes! do well to forgive; you may have been hurt by your husband or wife, and perhaps, connected relatives. Thank you for your simple obedience.

TEACHER FIVE- YOURSELF

My dear friend, smile; Jesus Christ loves you with every drop of His blood and flesh. You seemed to know and talk about yourself much more than anyone else. I truly mean your very real person; yourself. Please hold a mirror to see yourself; you are really beautiful or handsome. You are always the best person, because God made you in His image and likeness male and female of equal rights and dignity. No one else has the qualities you possessed; that is to say you and someone may look alike, nevertheless uniqueness is pure and inviolable. God has given you power and vision to mirror yourself beyond yourself to be able to understand your real personality. You are god, and carry the power of all possibilities.

Positive thinking could surmise tailoring and channeling your thought processes toward quality things not visible to others. It is the mind will power of offering, professing and manifesting success of your marriage by yourself. It is a devoted and cumulative strength to refusing or rejecting anything unsound and appearing negative around your marriage circle. Do well to give out your greatest treasure, smiling; and emitting gracefulness in all circumstances.

Though physical challenges may be conflicting with your marriage, tell yourself the truth of love, joy, comfort, contentment, prosperity and faith. You are a decent husband or wife; nobody is as unique as you are, dress in the manner you want to be addressed and nothing else. Your qualifications should be promising, charming; anything that projects and upgrades your effigy is worth pursuing. Let your mouth flow with milk, honey, politeness, affections, flavor, spices and that entirely blossom; architecting your physique to right size the marriage. Decorating yourself with tasteful traits and materials, hallowing love songs, kissing and romantic displays are all acceptable norms that positively develops your marriage. Please exercise your synergic energies to the fullness and expect quality results. This is not magic, is life empowering and real. [Mahatma Gandhi said: character cannot be built with mortar and stone. It cannot be built by other hands than your own. The principal and professors cannot give you character from the pages of books. Character building comes from your very life and really speaking, it must come from within yourself.](#)

Your word expressions are powerful, and every word from you should be inspiring, mentoring, emulating progressing and conquering. Love your spouse as you Love yourself; he or she is your first neighbor and next-of-kin. [According to the Bible book of 1 John 2:27, KJV 2000: But the anointing which you have received from Him abides in you, and you do not need anyone to teach you, but as His anointing teaches you concerning all things, and is true and no lie, and as He has taught you, abide in him.](#) Teach yourself, think of it yourself; do it yourself, then count the blessings yourself, and it shall surprise you how greatly successful you have become. Dear friend, I feel your wonderful smiles.

Indeed, these five quality teachers will at any time be by you, feed you, pray with you and empower you. They shall faithfully reveal, counsel and give perfect solutions to enable you tackle any emerging challenges likely to adverse your marriage. They are wonderful and precious gifts from God through the General Overseer, the Lord Jesus Christ, by whom we receive grace, salvation, redemption, reconciliation, justification and sanctification from Jehovah God, the originator of this great marriage institution. Can you imagine how beautiful or handsome is your wife or husband? Both of you are uniquely made by the Omni-wise God. I can't hold myself, then to smile.

O" for all these years of blindness; I almost lost my precious, my golden crown. Life is returned; and I want to believe that you can now discern the perfect will of God concerning your marriage. It is Wonderful...Fantastic...Halleluiah.

I wish to share with you the powerful words from Delight J. James Jokori, titled; overcoming the spirit of Haste and Waste: “If I had missed those challenges, I would have missed the courage and boldness needed to face my purpose”. The purpose of marriage is what you have known; hold it firm. Receive grace in abundance, amen.

CHAPTER SIX

THE MERITS

“Your art worthy, O Lord to receive glory and honor and power; for you have created all things and for your pleasure they and were created. Revelation 4:11, KJV 2000”

We have gotten a strong base knowledge and understanding that, marriage institution is an appreciation of God’s precious and wonderful love extended to humankind. It is very important to acknowledge this point. This school is embedded with special rights, privileges and responsibilities which does not exist nor permitted in the spirit realm. There is no marriage either in Heaven or Hell or elsewhere; it is strictly an earthly affair and no other information about human existence has been obtained elsewhere. It is spiced, melodious, colorful, attractive, magnetic, flavored, romantic and refreshing life assurance; a precious gift for enjoyment. It is a combination of Eros, and Altruistic (agape) Love. This is not what any living human being should abandon or miscue. The reason angels and demons are jealous; and doing everything within their powers to hack and crack down your mutual and easy going marriage.

Marriage is walled with merriments and justifiable benefits; this being the assurance that when a man and woman are married, both become one flesh and bone. The husband or wife is ready, prepared and matured to uniquely cohabit in every sense of life. So, making you to understand that marriage is an excellent Will transmitted from God to every man and woman for consummation on this planet earth. This being the treasure base of life; and the benefits are irrefutable. Therefore, I encourage every man or woman to be married, this being the only source and true way to enjoy these flavored benefits on earth; a toast, please.

Dear friend, Christ Jesus is absolutely interested in your marriage just to enable you fulfill the divine mandate. These are some of the merits and free benefits that truly pay-in to vitrine your marriage affinity.

- Bear special title as Husband and Wife; unique and admirable.
- Respect and honor are bestowed on the individual personalities.
- Enjoy dignity of life as corporate entity.
- Enjoy the law of life; wholly living human beings.
- Enjoy the law of giving and re-giving; givers never lack.
- Enjoy the law of multiplication; reproducing selves.
- Enjoy the law of equity; unity of information.
- Enjoy the law of social support, security, care and expansion.
- Enjoy the sure promises of the earth; prosperity.
- Become beacon of peace and harmony; forward-looking.
- Enjoy the law of companionship; never cold, always warm, mutuality.
- Enjoy the law of fulfillment; satisfaction and contentment.
- Escape the penalty of one-person decision; two quality heads best success.
- Two shall chase ten thousand enemies; divine protection, firewalled.
- Enjoy family integrity; firmness, independence.
- Enjoy the favor of quality harvest; fruitfulness.
- Enjoy the coverage and assurance of love divine.
- Above all, enjoy the power, grace and mercy of God in the Holy Spirit through Christ Jesus.

My dear friend, every benefit is tied to responsibility, but certainly not a burden. This means your mouth, mind, and entire thought process should be directed to the faithful teachings, mentorship and coordination of the Holy Spirit.

Now that you are treading on a new pathway to the fulfillment of your destiny on earth, your wrong pasts and failures are over, and never to be remembered. I thank you for following thus far, and the point is using your mouth to claiming these merits and free benefits; terminating anything evil around you.

If you may ask; how do, I go about it? It is very easy my dear friend; please, follow these steps:

- a) Using knowledge based words to address every foundational, generational and hereditary curses and powers working against your liberty, recovery and restoration of your marriage. This means you should have spiritual and physical understanding of your past and present environment, snap shot your life and replay it. You should repent and be born again; then, salvation, redemption, justification and sanctification of the Holy Spirit in the Blood of Christ Jesus shall be come your rightful inheritance. A regeneration bouquet is your possession.
- b) Using knowledge based words to address every contrary character traits in you; anger, hatred, lust, stealing, bedwetting and all species of inhuman life. Allowing the Holy Spirit to empower you to live life of forgiving, obeying, trusting and reasoning together in one accord; loving in correction, suggestive and transparent.
- c) Using knowledge based words of positive thinking; always seeing yourselves as one entity, prospering, progressing, living well and moving forward. Inspiration comes through positive thinking, because it is magnetic. Managing your home with care and skills of utilizing family resources for the very best outcomes. **According to the Bible book of Proverbs21:20 KJV 2000: In the house of the wise are stores of choice food and oil; but the foolish man devours all he has.** This means you should know how to save or reserve for tomorrow. Do not be a drunkard, glutton and waster of resources in your home.
- d) Developing attitude of trust for each other; not counting types of mistakes, offences, errors and number of times made by your spouse. Love grows with kindness, tender heart and caring spirit. Trust is a desirable attitude because every transaction is focused on trust. Wife truly trust your husband; and you husband, truly trust your wife, equity demands unity of information. It is a faithful ego.
- e) Developing the attitude of respect and dignity for each other, no matter the circumstances around you. Respect should be reciprocal; there is no degree of measurement. Respect is not optional; it is freely shared whether in poverty or riches, literate or not, aged or not, beauty or ugly; no condition is greater than love life of the marriage.

- f) Sustaining faithful companionship; it is the greatest test of the marriage. You should not place your eyes like the serpent, always suspecting and or looking out for wrongs to parole unfaithfulness, but keeping yourself safe and secure.

- g) Always working hard to preserve the joy and peace. Hard times, storms, misunderstanding, misfortunes, sorrows, sadness are part of the institute training; and so should not be misconstrued. Counting all for joy and building sufficient capacity and atmosphere to uphold the crown; not wondering like a child. According to the Bible book of Ecclesiastes 10:16 KJV 2000: Woe to you, O land when your king is a child, and your princes feast in the morning. Blessed are you, O land, when you're your king is the son of nobles, and your princes feast at the proper time, for strength, and not for drunkenness.

- h) Developing the attitude of resolving pending issues before the sun goes down, locating your bed, this being reasonable lifestyle. Not being double minded; but with honesty, clarity of purpose, smiling and cheering heart that glows from the face and actions. Understanding that family problems are endless; appearing in diverse forms, but your kind and subtle heart will open the doors for solutions. Maintain quiet times; it is a moment of redirecting and reprocessing issues for profitable decisions.

- i) Developing lifestyle of aiding, assisting, helping, encouraging and protecting your failing husband or wife. Do it with all amount of blood-wine efforts to ensure the family is healthy and stable; knowing that the socioeconomic and financial security of the marriage is a sole responsibility of the husband and wife; a partnership consortium.

- j) Developing attitude of self-restraint, willpower, patience and forward looking, being valuable characters than charisma. According to the Bible book of Proverbs 25:25, KJV 2000: He that has no rule over his own spirit is like a city that is broken down and without walls. Dear husband or wife, you need to have control over your sleep, food, pleasure,

utterances, desires and in fact, everything. This will save you from many troubles and sorrows.

- k) Developing a social attitude of family union is strongly encouraged; husband, wife, children, in-laws and associates. These are your immediate constituency firewalling you from destruction. Your quality relationship with them will protect and stand for you in moments of difficulties. It is reasonable to keep them wholehearted, as golden jewelries in your treasury.
- l) Neither is the wedding ring nor ceremony, the marriage. Do not make wedding ring your idol, it cannot offer you marriage harmony. The spirit of the marriage is the bond invisible that makes one plus one or half plus half equals one. Amalgamation of minds; dissolving every elemental and individual form into one indissoluble entity. Wedding ring is not merit of marriage other than physical gift symbol, and such gift symbol diminishes with time. You should seek after the Mind of each other where love begins and ends (dwells). Even God our Father and Mother, said, give me your mind and I will do pleasant things for you. [According to the Bible book Ephesians4:2-3, KJV 2000: With all lowliness and meekness with longsuffering to keep the Unity of the Spirit in the Bond of Peace.](#)

ENDING NOTE

(Arise, shine for the light is come and the glory of the Lord is raised upon you. For behold, the darkness shall cover the earth, and gross darkness the people; but the Lord shall arise upon you and his glory shall be seen upon you (Isaiah 60:1-2, KJV 2000).

I blessed the name of the Lord God in the Holy Ghost for the revelations and solutions to all forms of marital bondage and connecting other spheres of life. I believe that those privileged to read this book will have a renewed heart. This grace is flowing. They will no longer be naïve to themselves. They shall become responsive undertakers to their family daily actions. Their thinking and actions will be progressive, light, and loving, is a clarion testimony.

My dear friend, endeavor to keep the unity; there is no ending to human challenges until death do you part. Hold your creed and guard it zealously. Christ Jesus will uphold, preserve, and keep you safe. Jesus Christ is coming soon.

Thank you.
